EN General Terms and Conditions
ZCC Cutting Tools Europe GmbH – 'Supplier'

1. General
The following Terms and Conditions of Sale and Delivery shall apply to all – including future – quotations and orders with companies, legal entities under public law and separate funds under public law for deliveries and other services, including contracts for work and services, contracts for the delivery of fungible and non-fungible goods to be manufactured or produced. Any deviating agreements or conditions of the Customer shall only be valid provided they have been explicitly accepted by the Supplier in writing.

2. Quotation and technical documents
Quotations are generally non-binding. They shall only become binding upon written confirmation of the order by the Supplier. The pictures, drawings and dimensions contained in the quotation are approximations.

3. Order value
The minimum order value for goods and services is €150. If the minimum order value is not reached, a flat fee of €8 per order will be added as a logistics surcharge. Common inserts are supplied exclusively in quantities of ten (10) packaging units (exceptions to this may apply for: thread inserts, CBN/PCD inserts, inserts of larger dimensions with an inner circle of larger than 19 mm).

4. Delivery
The Supplier shall endeavour to meet the agreed deadlines whenever possible. Should issues occur that the Supplier cannot prevent despite exercising due care, any liability or claim for damages shall be null and void, irrespective of whether the issues occur at the Supplier's, at the Customer's or at a third party's premises, including but not limited to the result of strike action, lockouts, pandemics, interruption to supply chains, environmental disasters, riots or armed conflict, or similar force majeure, delays in production or transport. Delayed delivery shall not constitute a release from the purchase obligation. Quotations based on inventory levels are subject to prior sale. In the case of custom products, deviations from the agreed delivery quantity of up to plus or minus ten per cent (10%) due to production-related reasons are permitted. The delivered quantity will be invoiced.

5. Prices
The prices quoted are per item and duty is paid ex stock in Germany, plus special packaging, shipping costs and statutory VAT, as well as customs duty outside the EU. If taxes and other external costs included in the agreed price change later than four (4) weeks after conclusion of the contract or if they are newly incurred, the Supplier shall be entitled to change the price to the corresponding extent. If the manufacturer increases its prices before the Supplier has delivered, the Supplier shall be entitled to increase the price agreed with the Customer for the goods not yet delivered to the same extent if and to the extent that the Supplier increases its prices in general.

6. Payment
Unless agreed otherwise, invoices shall be payable net within thirty (30) calendar days of the invoice date. In the event of default, the Supplier shall be entitled to charge default interest amounting to the respective costs for short-term bank loans. The due date of the payment shall not be affected. Unless agreed otherwise or stated in the Supplier's invoices, payment shall be made immediately after delivery without any discount by means of payment method that enables the Supplier to dispose of the amount on the due date. The Customer shall bear the payment transaction costs. The Customer shall only be entitled to a right of retention and a right of set-off insofar as its counterclaims are undisputed or have been legally established or result from the same contractual relationship (claims for defects or claims for completion costs, for example). Any agreed discount is only applicable to the value of the invoice. The provision of a discount requires that the Customer has settled all due liabilities in full at the time of the discount. If the payment deadline is exceeded or if the Customer defaults on payment, the Supplier shall charge interest at a rate of eight (8) percentage points above the base rate, unless higher interest rates have been agreed. In addition, the Supplier is entitled to payment of a flat fee of €40. We reserve the right to claim further damages, in particular additional expenses in connection with exchange rate fluctuations and hedging. If, after the contract is entered into, it becomes apparent that the Supplier's entitlement to payment is jeopardised by the Customer's inability to pay, the Supplier shall be entitled to the rights set out under Section 321 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) ('Defence of uncertainty'). The same shall apply if the commercial credit limit set by the Supplier or its commercial credit insurer is reduced or cancelled or if the Customer defaults on payment of a significant amount or other circumstances arise which indicate a significant deterioration in the Customer's ability to pay after the contract is entered into. The Supplier shall then also be entitled to call due all accounts receivable not yet due from the current business relationship with the Customer. Furthermore, the defence of uncertainty shall extend to all other outstanding deliveries and services from the business relationship with the Customer.

7. Shipping and transfer of risk
The risk, including the risk of seizure of the goods, shall transfer to the Customer for all transactions, including carriage paid and free deliveries, when the goods are handed over to a forwarder or carrier, but no later than when they leave the warehouse or the supplier plant. The Supplier shall only provide insurance at the instruction and expense of the Customer. The obligation to unload and the costs of unloading shall be borne by the Customer. Benefit and risk shall transfer to the Customer at the latest upon delivery from the logistics centre or factory; in the event of handover to a forwarder or carrier, the benefit and risk shall transfer at the time of such handover. The forwarder or carrier shall be determined by the Supplier in the absence of timely instructions from the Customer. Insurance against damage or loss will only be taken out at the express request and expense of the Customer. If, through no fault of the Supplier, transport by the intended route or to the intended place at the intended time becomes impossible or substantially more difficult, the Supplier shall be entitled to deliver by another route or to another place; the Customer shall bear the additional costs incurred. The Customer shall be given the opportunity to comment beforehand.

8. Complaints and warranty
The Customer must inspect the delivery immediately upon receipt and notify us in writing of any defects within fourteen (14) calendar days after delivery at the latest. The same shall apply to defects or the absence of test certificates, declarations of performance, safety data sheets, lists of substances, CE marks and Ü marks that should be included in the delivery. Defects which cannot be discovered within this period even after performing an extremely thorough inspection must be reported in writing immediately after discovery, at the latest before the expiry of the agreed or statutory limitation period, with any processing ceasing immediately. After the Customer has accepted the goods as agreed, the notification of material defects that were detectable during the agreed type of acceptance shall be excluded. In the event of a justified notice of defect within the period, the Supplier may, at its discretion, remedy the defect or deliver a defect-free item (supplementary performance). In the event of failure or refusal of supplementary performance, the Customer may reduce the purchase price or withdraw from the contract after setting and the unsuccessful expiry of a reasonable deadline. If construction work is the subject of liability for defects, the Customer shall only be entitled to the right of reduction. The same shall apply if the goods have already been sold, processed or reshaped. If the Customer does not immediately give the Supplier the opportunity to confirm the existence of the defect, in particular if the Customer does not immediately make the rejected goods or samples thereof available upon request, all rights due to the material defect shall lapse. The same shall apply in the event of an insignificant reduction in the value or suitability of the goods. Expenses incurred in connection with the supplementary performance, in particular costs that arise in connection with the installation and removal of the defective item, shall only be borne by the Supplier insofar as they are reasonable in the individual case, in particular in relation to the purchase price of the goods, but in no case in excess of 150 per cent (150%) of the value of the goods. Costs incurred by the Customer due to the Customer itself remedying the defect without the legal requirements for this being met shall be excluded. The Supplier shall not bear any expenses incurred by the fact that the goods sold have been taken to a place other than the Customer's registered office or branch unless this would be in accordance with their contractual use. The Customer's rights of recourse according to Section 478 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) shall remain unaffected. All further claims including the assertion of damages for defects or consequences of defects shall be excluded.

9. Returns
The Customer shall only be permitted to return the goods within thirty (30) calendar days and after prior written agreement with the Supplier. The Supplier is entitled to not accept returns sent carriage forward and unapproved without such written approval. The goods must be returned in perfect condition and in the undamaged, fully functional original packaging. If the return is not due to the fault of the Supplier, a processing fee of fifteen per cent (15%), but at least a minimum of €15, will be charged. Returns of custom products are not generally accepted. Insofar as a goods credit note is granted, the amount of the credit note shall result from the amount of the original invoice/value of goods.

10. Reservation of proprietary rights
All goods delivered shall remain the property of the Supplier (reserved goods) until the claims to which the Supplier is entitled from the respective delivery have been fulfilled. This shall also apply to subsequent conditional claims, such as claims from acceptor's bills of exchange, as well as if specifically designated claims are settled by effecting payment, and also to any claims made unilaterally by the insolvency administrator by way of choice of performance. The goods subject to the reservation of proprietary rights shall be processed for the Supplier as manufacturer within the meaning of Section 950 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) without obligating the Supplier. The processed goods shall be deemed to be goods subject to the reservation of proprietary rights within the meaning of this Agreement. Should the Customer process, combine or mix the reserved goods with other goods, the Supplier shall be entitled to co-ownership of the new item in proportion to the invoice value of the reserved goods to the invoice value of the other goods used. If the Supplier ceases to own the item as a result of combining or mixing, the Customer shall immediately transfer the ownership rights to the Supplier to which it is entitled in the new stock or item to the extent of the invoice value of the goods subject to the reservation of proprietary rights and shall hold them in safe custody for the Supplier free of charge. The Supplier's co-ownership rights shall be deemed to be reserved goods. If the Customer is in default of payment or does not honour a bill of exchange when due, the Supplier shall be entitled to repossess the reserved goods and, if necessary, to enter the Customer's business or warehouse for this purpose. The same shall apply if, after the contract is entered into, it becomes apparent that the Supplier's entitlement to payment under this or other contracts with the Customer is jeopardised by the Customer's inability to pay. The repossession of the reserved goods does not constitute a withdrawal from the contract. The Supplier may also prohibit the resale, further processing and removal of the reserved goods. The provisions of the German Insolvency Code (Insolvenzordnung) shall remain unaffected. The delivered goods shall remain the property of the Supplier until all claims arising from the business relationship with the Customer have been settled in full.

11. Compensation, limitation of liability and statute of limitation
In the event of a breach of contractual and non-contractual obligations, in particular due to impossibility, delay, fault in the conclusion of the contract (culpa in contrahendo) and tort, the Supplier shall be liable – including for its executive employees and other vicarious agents – only in cases of intent and gross negligence, limited to the typical contractual damage foreseeable at the time of conclusion of the contract. For approximate delivery quantities, this shall be calculated on the basis of the minimum quantity of ninety per cent (90%) of the delivery quantity provided for in the contract. These limitations shall not apply in the event of a culpable breach of material contractual obligations, in cases of mandatory liability under the German Product Liability Act (Produkthaftungsgesetz), in the event of death, physical injury or illness, and shall also not apply if and to the extent that the Supplier has fraudulently concealed defects in the item or guaranteed their absence. Material contractual obligations are specifically described contractual obligations, the breach of which jeopardises the achievement of the purpose of the contract and such contractual obligations, the fulfilment of which renders the performance of the contract possible and on the compliance with which the purchaser regularly relies and may rely. The statutory regulations on the burden of proof shall remain unaffected by this. Unless agreed otherwise, contractual claims, including claims for damages due to material defects that the Customer makes against the Supplier based on or in connection with the delivery of the goods, shall become time-barred one (1) year after delivery of the goods, unless they include compensation for physical injury or illness, foreseeable damage or are based on intent or gross negligence on the part of the Supplier. This period shall also apply to such goods which are used in accordance with their intended purpose for a building and have caused its defectiveness, unless this intended purpose was agreed in writing. In cases where the Supplier has acknowledged the purchaser's claim for supplementary performance, the limitation period shall not start anew, but shall be suspended until the expiry of three (3) months after the supplementary performance has been carried out.

12. Foreign trade transactions
The Supplier wishes to point out that the re-export of goods to Russia or Belarus and their use in those countries is prohibited. In the event of any breach of this rule, the Supplier is legally obliged (a) to immediately report the breach to the competent authorities; and (b) to carry out a thorough review of the business relationship with the Buyer, which may also include the possibility of immediate termination of the business relationship.

13. Place of performance and jurisdiction
The place of performance and jurisdiction for all contractual obligations is the registered office of the Supplier. However, the Supplier is entitled to sue the Customer at the Customer's registered office. The legal relationship shall be governed exclusively by German law.

4. Lieferung
Der Lieferant ist bemüht, die vereinbarten Termine, wenn immer möglich, einzuhalten. Wenn Hindernisse auftreten, die der Lieferant trotz Anwendung der gebotenen Sorgfalt nicht abwenden kann, ungeachtet, ob sie bei ihm, beim Kunden oder bei einem Dritten eintreten, insbesondere, aber nicht abschließend, durch Streik, Lockout, Pandemie, Unterbrechung von Lieferketten, Umweltkatastrophen, Unruhen oder kriegerischer Auseinandersetzung, oder ähnlicher höherer Gewalt, Verzögerungen in der Herstellung oder beim Transport auftreten, so ist jegliche Haftung bzw. jeglicher Schadenersatzanspruch aufgehoben. Verspätete Lieferung befreit nicht von der Abnahmepflicht. Angebote aus Vorratsbeständen verstehen sich vorbehaltlich Zwischenverkauf. Bei Sonderfertigungen sind aus fertigungstechnischen Gründen Über- oder Unterlieferungen bis zu 10 % zulässig. Berechnet wird die gelieferte Menge.

5. Preise
Die angebotenen Preise gelten je Stück und verzollt ab Lager Deutschland, zzgl. besonderer Verpackung, Versandkosten und gesetzlicher MwSt., sowie Zoll außer EU. Ändern sich später als vier Wochen nach Vertragsschluss Abgaben und andere Fremdkosten, die im vereinbarten Preis enthalten sind, oder entstehen sie neu, ist der Lieferant im entsprechenden Umfang zu einer Preisänderung berechtigt. Erhöht der Hersteller seine Preise, bevor der Lieferant geliefert hat, ist der Lieferant berechtigt, den mit dem Kunden vereinbarten Preis für die noch nicht ausgelieferte Ware im gleichen Rahmen zu erhöhen, wenn und soweit der Lieferant seine Preise allgemein erhöht.

6. Zahlung
Falls nicht anders vereinbart, sind die Rechnungen innerhalb von 30 Kalendertagen ab Rechnungsdatum rein netto zahlbar. Im Verzugsfalle ist der Lieferant berechtigt, Verzugszinsen in Höhe der jeweiligen Kosten für kurzfristige Bankkredite zu berechnen. Die Fälligkeit der Zahlung bleibt davon unberücksichtigt. Zahlung hat, sofern nichts anderes vereinbart oder in den Rechnungen des Lieferanten angegeben ist, sofort nach Lieferung ohne Skontoabzug in der Weise zu erfolgen, dass der Lieferant am Fälligkeitstag über den Betrag verfügen kann. Kosten des Zahlungsverkehrs trägt der Kunde. Ein Zurückbehaltungsrecht und eine Aufrechnungsbefugnis stehen dem Kunde nur insoweit zu, als seine Gegenansprüche unbestritten oder rechtskräftig festgestellt sind oder aus demselben Vertragsverhältnis resultieren (z.B. Mängelansprüche oder Ansprüche wegen Fertigstellungskosten). Ein vereinbartes Skonto bezieht sich auf den Rechnungswert. Die Skontierung setzt den vollständigen Ausgleich aller fälligen Verbindlichkeiten des Kunden im Zeitpunkt der Skontierung voraus. Bei Überschreiten des Zahlungszieles oder bei Zahlungsverzug berechnet der Lieferant Zinsen in Höhe von 8 Prozentpunkten über dem Basiszinssatz, es sei denn, höhere Zinssätze sind vereinbart. Außerdem hat der Lieferant Anspruch auf Zahlung einer Pauschale in Höhe von 40,00 €. Die Geltendmachung eines weiteren Schadens, insbesondere Mehraufwendungen im Zusammenhang mit Wechselkursänderungen und Kurssicherungen, bleibt vorbehalten. Wird nach Abschluss des Vertrages erkennbar, dass der Zahlungsanspruch des Lieferanten durch mangelnde Leistungsfähigkeit des Kunden gefährdet wird, stehen dem Lieferanten die Rechte aus § 321 BGB (Unsicherheitseinrede) zu. Das Gleiche gilt, wenn das von dem Lieferanten oder seinem Warenkreditversicherer gesetzte Warenkreditlimit reduziert oder gestrichen wird oder wenn der Kunde mit einem erheblichen Betrag in Zahlungsverzug gerät oder andere Umstände eintreten, die auf eine wesentliche Verschlechterung der Zahlungsfähigkeit des Kunden nach Vertragsschluss schließen lassen. Der Lieferant ist dann auch berechtigt, alle noch nicht fälligen Forderungen aus der laufenden Geschäftsverbindung mit dem Kunden fällig zu stellen. Im Übrigen erstreckt sich die Unsicherheitseinrede auf alle weiteren ausstehenden Lieferungen und Leistungen aus der Geschäftsverbindung mit dem Kunden.

7. Versand und Gefahrenübergang
Mit der Übergabe der Ware an einen Spediteur oder Frachtführer, spätestens jedoch mit Verlassen des Lagers oder des Lieferwerks geht die Gefahr, auch die einer Beschlagnahme der Ware, bei allen Geschäften, auch Franko oder Frei-Haus-Lieferungen, auf den Kunden über. Für Versicherungen sorgt der Lieferant nur auf Weisung und Kosten des Kunden. Die Pflicht zur Entladung sowie die Kosten der Entladung trägt der Kunde. Nutzen und Gefahr gehen spätestens mit Ablieferung ab Logistikzentrum oder Werk auf den Kunden über, bei Übergabe an einen Spediteur oder Frachtführer in den Zeitpunkten dieser Übergabe. Mangels rechtzeitiger Anweisung seitens des Kunden wird der Spediteur oder Frachtführer vom Lieferanten bestimmt. Versicherungen gegen Beschädigung oder Verlust werden nur auf ausdrücklichen Wunsch und auf Kosten des Kunden abgeschlossen. Wird ohne das Verschulden des Lieferanten der Transport auf dem vorgesehenen Weg oder zu dem vorgesehenen Ort in der vorgesehenen Zeit unmöglich oder wesentlich erschwert, so ist der Lieferant berechtigt, auf einem anderen Weg oder zu einem anderen Ort zu liefern; die entstehenden Mehrkosten trägt der Kunde. Dem Kunden wird vorher Gelegenheit zur Stellungnahme gegeben.

8. Beanstandungen und Gewährleistung
Der Kunde hat die Lieferung unverzüglich nach Eingang zu prüfen und etwaige Mängel innerhalb von spätestens 14 Kalendertagen nach Ablieferung schriftlich mitzuteilen. Gleiches gilt für Mängel bzw. das Fehlen mitzuliefernder Prüfbescheinigungen, Leistungserklärungen, Sicherheitsdatenblätter, Stofflisten, CE-Kennzeichen, Ü-Zeichen. Mängel, die auch bei sorgfältigster Prüfung innerhalb dieser Frist nicht entdeckt werden können, sind – unter sofortiger Einstellung etwaiger Be- und Verarbeitung – unverzüglich nach Entdeckung schriftlich anzuzeigen, spätestens vor Ablauf der vereinbarten oder gesetzlichen Verjährungsfrist. Nach Durchführung einer vereinbarten Abnahme der Ware durch den Kunden ist die Rüge von Sachmängeln, die bei der vereinbarten Art der Abnahme feststellbar waren, ausgeschlossen.
Bei berechtigter, fristgemäßer Mängelrüge kann der Lieferant nach seiner Wahl den Mangel beseitigen oder eine mangelfreie Sache liefern (Nacherfüllung). Bei Fehlschlagen oder Verweigerung der Nacherfüllung kann der Kunde den Kaufpreis mindern oder nach Setzung und erfolglosem Ablauf einer angemessenen Frist vom Vertrag zurücktreten. Ist eine Bauleistung Gegenstand der Mängelhaftung, steht dem Kunden nur das Minderungsrecht zu. Gleiches gilt, wenn die Ware bereits veräußert, verarbeitet oder umgestaltet ist. Gibt der Kunde dem Lieferanten nicht unverzüglich Gelegenheit, diesen von dem Mangel zu überzeugen, stellt er insbesondere nicht unverzüglich auf Verlangen die beanstandete Ware oder Proben davon zur Verfügung, entfallen alle Rechte wegen des Sachmangels. Gleiches gilt bei einer unerheblichen Minderung des Wertes oder der Tauglichkeit der Ware. Aufwendungen im Zusammenhang mit der Nacherfüllung, insbesondere Kosten im Zusammenhang mit dem Ein- und Ausbau der mangelhaften Sache, übernimmt der Lieferant nur, soweit sie im Einzelfall, insbesondere im Verhältnis zum Kaufpreis der Ware, angemessen sind, keinesfalls aber über 150 % des Warenwertes. Ausgeschlossen sind Kosten des Kunden für die Selbstbeseitigung eines Mangels, ohne dass hierfür die gesetzlichen Voraussetzungen vorliegen. Aufwendungen, die dadurch entstehen, dass die verkaufte Ware an einen anderen Ort als den Sitz oder die Niederlassung des Kunden verbracht worden ist, übernimmt der Lieferant nicht, es sei denn, dies entspräche ihrem vertragsgemäßen Gebrauch. Rückgriffsrechte des Kunden nach § 478 BGB bleiben unberührt. Sämtliche weitergehenden Ansprüche einschließlich der Geltendmachung von Schadenersatz für Mängel oder Mängelfolgen sind ausgeschlossen.

9. Rücksendungen
Die Rücksendung der Ware ist dem Kunden nur innerhalb von 30 Kalendertagen und nach vorheriger schriftlicher Vereinbarung mit dem Lieferanten gestattet. Ohne eine solche schriftliche Genehmigung ist der Lieferant berechtigt, unfrei zugesandte und nicht genehmigte Rücksendungen nicht anzunehmen. Die Ware ist in einwandfreiem Zustand und in der unbeschädigten und uneingeschränkt funktionsfähigen Originalverpackung zu retournieren. Ist die Rücksendung nicht durch Verschulden des Lieferanten begründet, werden Bearbeitungsgebühren in Höhe von 15 %, mindestens jedoch 15 €, erhoben. Sonderanfertigungen werden grundsätzlich nicht zurückgenommen. Soweit eine Warengutschrift gewährt wird, ergibt sich die Höhe der Gutschrift aus dem Betrag der Originalrechnung / Warenwert.

10. Eigentumsvorbehalt
Alle gelieferten Waren bleiben Eigentum des Lieferanten (Vorbehaltsware) bis zur Erfüllung der Forderungen, die ihm aus der jeweiligen Lieferung zustehen. Dies gilt auch für künftig entstehende bedingte Forderungen, z.B. aus Akzeptantenwechseln, und auch, wenn Zahlungen auf besonders bezeichnete Forderungen geleistet werden, und auch für die Forderungen, die durch den Insolvenzverwalter einseitig im Wege der Erfüllungswahl begründet werden. Be- und Verarbeitung der Vorbehaltsware erfolgen für den Lieferanten als Hersteller im Sinne von § 950 BGB, ohne den Lieferanten zu verpflichten. Die be- und verarbeitete Ware gilt als Vorbehaltsware im Sinne dieser Vereinbarung. Bei Verarbeitung, Verbindung und Vermischung der Vorbehaltsware mit anderen Waren durch den Kunden steht dem Lieferanten das Miteigentum anteilig an der neuen Sache zu im Verhältnis des Rechnungswertes der Vorbehaltsware zum Rechnungswert der anderen verwendeten Waren. Erlischt das Eigentum des Lieferanten durch Verbindung oder Vermischung, so überträgt der Kunde dem Lieferanten bereits jetzt die ihm zustehenden Eigentumsrechte an dem neuen Bestand oder der Sache im Umfang des Rechnungswertes der Vorbehaltsware und verwahrt sie unentgeltlich für den Lieferanten. Die Miteigentumsrechte des Lieferanten gelten als Vorbehaltsware. Gerät der Kunde in Zahlungsverzug oder löst er einen Wechsel bei Fälligkeit nicht ein, ist der Lieferant berechtigt, die Vorbehaltsware zurückzunehmen und zu diesem Zweck ggf. den Betrieb oder das Lager des Kunden zu betreten. Gleiches gilt, wenn nach Abschluss des Vertrages erkennbar wird, dass der Zahlungsanspruch des Lieferanten aus diesem oder aus anderen Verträgen mit dem Kunden durch dessen mangelnde Leistungsfähigkeit gefährdet wird. Die Rücknahme ist kein Rücktritt vom Vertrag. Der Lieferant kann außerdem die Weiterveräußerung, Weiterverarbeitung und Wegschaffung der Vorbehaltsware untersagen. Vorschriften der Insolvenzordnung bleiben unberührt. Die gelieferte Ware bleibt bis zur vollständigen Erfüllung sämtlicher Forderungen aus der Geschäftsbeziehung mit dem Kunden Eigentum des Lieferanten.

11. Schadensersatz, Haftungsbegrenzung und Verjährung
Wegen Verletzung vertraglicher und außervertraglicher Pflichten, insbesondere wegen Unmöglichkeit, Verzug, Verschulden bei Vertragsanbahnung und unerlaubter Handlung, haftet der Lieferant – auch für seine leitenden Angestellten und sonstigen Erfüllungsgehilfen – nur in Fällen des Vorsatzes und der groben Fahrlässigkeit, beschränkt auf den bei Vertragsschluss voraussehbaren vertragstypischen Schaden. Dieser berechnet sich bei Zirka-Liefermengen auf der Grundlage der Mindestmenge von 90 % der im Vertrag vorgesehenen Liefermenge. Diese Beschränkungen gelten nicht bei schuldhaftem Verstoß gegen wesentliche Vertragspflichten, in Fällen zwingender Haftung nach dem Produkthaftungsgesetz, bei Schäden des Lebens, des Körpers und der Gesundheit und auch dann nicht, wenn und soweit der Lieferant Mängel der Sache arglistig verschwiegen oder deren Abwesenheit garantiert hat. Wesentlich sind konkret beschriebene Vertragspflichten, deren Verletzung die Erreichung des Vertragszwecks gefährdet, oder solche Vertragspflichten, deren Erfüllung die ordnungsgemäße Durchführung des Vertrages überhaupt erst ermöglicht und auf deren Einhaltung der Käufer regelmäßig vertraut und vertrauen darf. Die gesetzlichen Regelungen zur Beweislast bleiben hiervon unberührt. Soweit nichts anderes vereinbart ist, verjähren vertragliche Ansprüche einschließlich sachmangelbedingter Schadenersatzansprüche, die dem Kunden gegen den Lieferanten aus Anlass oder im Zusammenhang mit der Lieferung der Ware entstehen, 1 Jahr nach Ablieferung der Ware, soweit sie nicht den Ersatz für einen Körper- und Gesundheitsschaden oder einen typischen, vorhersehbaren Schaden beinhalten oder auf Vorsatz oder grober Fahrlässigkeit des Lieferanten beruhen. Diese Frist gilt auch für solche Waren, die entsprechend Ihrer üblichen Verwendungsweise für ein Bauwerk verwendet werden und dessen Mangelhaftigkeit verursacht haben, es sei denn diese Verwendungsweise wurde schriftlich vereinbart. In den Fällen, in denen der Lieferant den Nacherfüllungsanspruch des Käufers anerkannt hat, beginnt die Verjährung nicht neu, sondern ist bis zum Ablauf von drei Monaten nach Durchführung der Nacherfüllung gehemmt.

12. Außenwirtschaftsverkehr
Der Lieferant möchte darauf hinweisen, dass die Wiederausfuhr der Güter nach Russland oder Belarus sowie deren Verwendung in diesen Ländern untersagt ist. Im Falle eines Verstoßes gegen diese Regelung ist der Lieferant gesetzlich verpflichtet, (a) den Verstoß umgehend den zuständigen Behörden zu melden und (b) die Geschäftsbeziehung zum Käufer umfassend zu überprüfen, was auch die Möglichkeit eines sofortigen Abbruchs der Geschäftsbeziehung einschließt.

13. Erfüllungsort und Gerichtsstand
Erfüllungsort und Gerichtsstand für alle vertraglichen Verbindlichkeiten ist der Sitz des Lieferanten. Der Lieferant ist jedoch berechtigt, den Kunden an dessen Sitz zu belangen. Auf das Rechtsverhältnis ist ausschließlich deutsches Recht anwendbar.

IT Condizioni generali di contratto ZCC Cutting Tools Europe GmbH - “Fornitore”

1. Aspetti generali
Le seguenti condizioni di vendita e consegna si applicano a tutti gli ordini e le offerte (anche futuri) destinati ad aziende, persone giuridiche di diritto o patrimonio separato pubblico relativi a consegne e altri servizi compresi contratti d’opera, contratti di consegna di beni da produrre o beni fungibili o non fungibili da fabbricare. Eventuali accordi o condizioni differenti del cliente sono validi solo se espressamente accettati dal fornitore per iscritto.

2. Offerta e documentazione tecnica
Le offerte sono generalmente non vincolanti, acquisiscono carattere vincolante solo con la conferma scritta dell’ordine da parte del fornitore. Le figure, i disegni e le dimensioni contenuti nell’offerta sono da intendersi informazioni a scopo indicativo.

3. Valore dell’ordine
Il valore minimo dell’ordine è pari a 150 € netti per merci e servizi. Se il valore minimo dell’ordine non viene raggiunto, si applica in via forfettaria una maggiorazione logistica di 8,- € per ogni ordine. Nel caso di inserti comuni, questi vengono consegnati esclusivamente in confezioni da 10 pezzi (eventuali eccezioni si applicano per: inserti per filettatura, inserti CBN/PCD, inserti di dimensioni maggiori con circonferenza inscritta > 19 mm).

4. Consegna
Il fornitore si impegna, ove possibile, a rispettare i termini concordati. Nel caso di impedimenti cui il fornitore non riesca a ovviare procedendo comunque con l’accuratezza richiesta, indipendentemente dal fatto che insorgano presso di lui, presso il cliente o un terzo, in particolare, a titolo non esaustivo, a causa di scioperi, serrate, pandemie, interruzione delle catene di approvvigionamenti, catastrofi ambientali, tumulti o guerre, ovvero fenomeni simili di causa maggiore, ritardi nella produzione o nel trasporto, è esclusa qualsivoglia responsabilità ovvero qualsivoglia richiesta di risarcimento danni. Una consegna in ritardo non dispensa dall’obbligo di accettazione. Le offerte provenienti dalle giacenze di magazzino si intendono vendita intermedia riservata. Nel caso di produzioni speciali, a causa di motivi tecnici legati alla produzione sono consentite consegne in eccesso o in difetto fino al 10%. Viene calcolata la quantità consegnata.

5. Prezzi
I prezzi offerti si applicano a pezzo sdoganato franco magazzino Germania, esclusi imballaggio speciale, costi di spedizione e IVA di legge, nonché dazi esterni all’UE. Se oltre le quattro settimane successive alla stipula del contratto cambiano tasse e altri costi esterni compresi nel prezzo accordato, ovvero insorgono nuove tasse e costi, il fornitore ha facoltà di modificare il prezzo nella misura corrispondente. Se il produttore aumenta i suoi prezzi prima che il fornitore abbia concluso la consegna, quest’ultimo ha il diritto di aumentare in ugual misura il prezzo concordato con il cliente per la merce non ancora consegnata, se e nella misura in cui il fornitore aumenta i suoi prezzi in linea generale.

6. Pagamento
Se non diversamente stabilito, le fatture vanno saldate per intero entro 30 giorni dalla data della fattura. In caso di ritardo, il fornitore ha il diritto di addebitare interessi di mora per un importo pari ai costi relativi ai crediti bancari a breve termine. La scadenza del pagamento rimane invariata. Il pagamento, laddove non diversamente concordato o se risulta indicato nelle fatture del fornitore, deve essere effettuato subito dopo la consegna senza sconto in modo che il fornitore, nel giorno della scadenza, possa disporre dell’importo. I costi della transazione di pagamento sono a carico del cliente. Il cliente dispone del diritto di trattenuta e dell’autorizzazione alla compensazione solo nella misura in cui le sue controrichieste vengano accolte incontestatamente o siano passate in giudicato ovvero risultino dal medesimo rapporto contrattuale (ad es. richieste relative a difetti o richieste per i costi di ultimazione). Lo sconto concordato si riferisce al valore della fattura. Lo sconto presuppone il saldo per intero di tutti i debiti in scadenza del cliente al momento dello sconto stesso. Al superamento del termine di pagamento oppure in caso di mora, il fornitore addebita interessi pari a 8 punti percentuali sopra il tasso d’interesse di base, salvo quando siano concordati tassi d’interesse maggiori. Inoltre, il fornitore ha diritto al pagamento di una somma forfettaria pari a 40,00 €. L’applicazione di un ulteriore danno, in particolare maggiorazioni nell’ambito di modifiche al tasso di cambio e garanzie, rimane invariata. Se dopo la stipula del contratto si evince che la richiesta di pagamento del fornitore è pregiudicata dalla manchevole capacità del cliente, il fornitore può esercitare i diritti di cui all’art. 321 BGB - Codice civile tedesco (eccezione di insicurezza). Lo stesso si applica nel caso in cui il limite dei crediti della merce, stabilito dal suo assicuratore, venga ridotto o annullato o laddove il cliente cada in mora per un importo considerevole ovvero laddove insorgano altre circostanze che portino a un sensibile peggioramento della capacità di pagamento del cliente successivamente alla stipula del contratto. Il fornitore è in questo caso autorizzato a porre in scadenza tutti i crediti non ancora scaduti relativi alla relazione commerciale con il cliente. Inoltre, l’eccezione di insicurezza si estende a tutte le ulteriori consegne e servizi relativi alla relazione commerciale con il cliente.

7. Spedizione e trasferimento del rischio
Con la cessione della merce a uno spedizioniere o vettore, al più tardi tuttavia al momento dell’uscita dal magazzino o dallo stabilimento, il rischio viene trasferito al cliente, incluso il rischio di confisca della merce, per tutti gli ordini, anche consegne franco o franco domicilio. Il fornitore si occupa dell’assicurazione solo su disposizione del cliente, che ne sostiene i costi. L’obbligo di scarico e i relativi costi sono a carico del cliente. Vantaggi e rischi vengono trasferiti al cliente al più tardi al momento dell’uscita dal centro logistico o stabilimento, con la consegna a uno spedizioniere o vettore durante la presente consegna. In mancanza di un pronto incarico da parte del cliente, lo spedizioniere o vettore è determinato dal fornitore. L’assicurazione contro danni o perdite viene stipulata solo dietro esplicita richiesta del cliente, che ne sostiene i costi. Laddove, senza colpa del fornitore, il trasporto risulti impossibile o si complichi sensibilmente sulla tratta prevista o verso la destinazione prevista nel periodo previsto, il fornitore avrà quindi facoltà di consegnare usando un’altra tratta o un’altra destinazione; i costi aggiuntivi che ne derivano vengono sostenuti dal cliente. Al cliente è concesso prendere posizione preventivamente.

8. Reclami e garanzia
Il cliente deve controllare la consegna subito dopo l’accettazione e comunicare per iscritto eventuali difetti entro 14 giorni dalla consegna al più tardi. Lo stesso si applica a eventuali difetti o alla mancanza di certificati di prova, dichiarazioni di prestazione, schede di sicurezza, elenchi di materiali, marchi CE, marchio di conformità. I difetti che non possono essere rilevati entro questo termine anche con la massima attenzione vanno comunicati, con l’immediata cessazione di eventuali lavorazioni e modifiche, senza indugio per iscritto subito dopo la loro individuazione, al più tardi prima della scadenza del periodo di prescrizione concordato o stabilito dalla legge.
All’esecuzione di una consegna concordata della merce da parte del cliente, il reclamo di difetti materiali, che fossero rilevabili nel corso della consegna concordata, è escluso.
In caso di reclamo per difetti regolare e secondo i termini, il fornitore può, a sua discrezione, rimuovere il difetto o spedire un bene privo di difetti (adempimento successivo). In caso di mancato o ritardato adempimento successivo, il cliente può ridurre il prezzo di acquisto ovvero rescindere dal contratto dopo aver fissato un termine adeguato che non sia stato rispettato. Se la garanzia ha per oggetto un’opera edile, il cliente può esercitare il diritto di riduzione. Lo stesso si applica nel caso in cui la merce sia già stata alienata, lavorata o trasformata. Se il cliente non permette immediatamente al fornitore di verificare adeguatamente il difetto, e se non mette a disposizione la merce reclamata o le prove di ciò, in particolare non in modo immediato, decadono tutti i diritti connessi al difetto materiale. Lo stesso si applica nel caso di una irrilevante riduzione del valore o dell’idoneità della merce. Il fornitore sostiene le spese nell’ambito dell’adempimento successivo, in particolare i costi associati a installazione e smontaggio del bene difettoso, solo nella misura in cui siano adeguati nel singolo caso, in particolare rispetto al prezzo di acquisto della merce, in nessun caso tuttavia superando il 150% del valore della merce. Sono esclusi i costi sostenuti dal cliente per la rimozione autonoma di un difetto senza che sussistano a tale scopo i requisiti di legge. Le spese insorte a causa del trasferimento della merce venduta presso un’altra destinazione diversa dalla sede o dalla filiale del cliente non vengono sostenute dal fornitore, salvo quando ciò corrisponda all’uso conforme al contratto. I diritti di rivalsa del cliente ai sensi dell’art. 478 BGB rimangono invariati. Tutte le ulteriori richieste, inclusa la rivendicazione di un risarcimento danni per difetti o conseguenze dei difetti, sono escluse.

9. Resi
Il reso della merce è consentito al cliente esclusivamente entro 30 giorni e previo accordo scritto con il fornitore. In assenza di una tale autorizzazione scritta, il fornitore ha facoltà di non accettare resi non autorizzati e spediti in maniera autonoma. La merce va resa in condizioni perfette e nella confezione originale, senza danni e pienamente funzionante. Se il reso non è motivato da colpa del fornitore, vengono addebitate commissioni di lavorazione pari al 15%, per un importo pari ad almeno 15 €. Non si accettano fondamentalmente resi di produzioni speciali. Nella misura in cui venga concessa una nota di credito per la merce, l’ammontare della nota di credito si evince dall’importo della fattura originale/dal valore della merce.

10. Riserva di proprietà
Tutte le merci spedite rimangono di proprietà del fornitore (merce soggetta a riserva) sino all’evasione dei crediti che gli spettano riguardo alla rispettiva consegna. Ciò si applica anche a crediti condizionati futuri, ad es. per cambio dell’accettante, e anche nel caso in cui i pagamenti vengano eseguiti per crediti designati in modo particolare, e anche per i crediti giustificati unilateralmente dal curatore fallimentare nell’ambito della scelta dell’adempimento. Modifica e lavorazione della merce soggetta a riserva avvengono per il fornitore come produttore ai sensi dell’art. 950 BGB senza obbligare il fornitore. La merce modificata e lavorata si intende merce soggetta a riserva nell’ambito del presente accordo. In caso di lavorazione, unione e commistione con altre merci della merce soggetta a riserva da parte del cliente, il fornitore ha diritto alla comproprietà del nuovo bene proporzionalmente al valore della fattura della merce soggetta a riserva rispetto al valore della fattura delle altre merci utilizzate. Se la proprietà del fornitore decade per unione o commistione della merce, il cliente cede fin da subito al fornitore i diritti di proprietà a questi spettanti sulla nuova quantità o sul bene secondo l’entità del valore della fattura della merce soggetta a riserva e la conserva a titolo gratuito per il fornitore. I diritti di comproprietà del fornitore si applicano sulla merce soggetta a riserva. Se il cliente cade in mora di pagamento o non onora una cambiale alla scadenza, il fornitore ha il diritto di riprendere la merce soggetta a riserva e a tale scopo accedere allo stabilimento o al magazzino del cliente. Lo stesso si applica nel caso in cui, dopo la stipula del contratto, si rilevi che la richiesta di pagamento del fornitore relativa al presente contratto o ad altri contratti conclusi con il cliente venga pregiudicata dalla sua manchevole capacità di adempimento. La restituzione non rappresenta una rescissione dal contratto. Il fornitore può inoltre proibire un’alienazione ulteriore, lavorazione aggiuntiva e rimozione della merce soggetta a riserva. Le prescrizioni dell’ordinamento fallimentare rimangono invariate. La merce spedita resta di proprietà del fornitore fino alla completa evasione di tutti i crediti derivanti dalla relazione commerciale con il cliente.

11. Risarcimento danni, limitazione di responsabilità e prescrizione
Il fornitore risponde di un’eventuale violazione degli obblighi contrattuali ed extracontrattuali, in particolare di impossibilità, ritardo, colpa all’avvio del contratto e manipolazione non autorizzata (anche per i propri dipendenti diretti e altri ausiliari) solo nei casi di dolo e negligenza grave, limitatamente ai danni tipici del contratto prevedibili al momento della stipula. Questa responsabilità viene calcolata, per quantità di consegna indicative, sulla base di un minimo del 90% della quantità di spedizione prevista contrattualmente. Queste limitazioni non si applicano in caso di violazione colposa di obblighi contrattuali fondamentali, nei casi di responsabilità vincolante ai sensi della legge sulla responsabilità dei prodotti, nel caso di danni all’integrità fisica e alla salute e inoltre non si applicano se e nella misura in cui il fornitore abbia nascosto con intenzionalità difetti del bene o ne abbia garantito l’assenza. Ad essere fondamentali sono gli obblighi contrattuali concretamente descritti la cui violazione metta a repentaglio il raggiungimento dello scopo contrattuale, ovvero quegli obblighi contrattuali il cui adempimento consenta in prima linea l’esecuzione regolare del contratto e sul cui rispetto l’acquirente fa e può fare regolarmente affidamento.
Le disposizioni di legge relative all’onere della prova rimangono invariate. Se non diversamente concordato, le rivendicazioni contrattuali, incluse le richieste di risarcimento danni legate a difetti materiali che insorgano per il cliente nei confronti del fornitore a causa o nell’ambito della spedizione della merce, si prescrivono in 1 anno dalla consegna della merce, laddove non implichino il risarcimento di lesioni fisiche o di danni tipici e prevedibili ovvero non si basino su dolo o negligenza grave del fornitore. Questo termine si applica anche alle merci che vengono utilizzate corrispondentemente alla propria solita destinazione d’uso per un pezzo di costruzione e che ne abbiano causato la difettosità, salvo quando tale destinazione d’uso sia stata accordata per iscritto. Nei casi in cui il fornitore ha riconosciuto la richiesta di adempimento successivo dell’acquirente, la prescrizione non viene riavviata, bensì viene arrestata fino allo scadere di tre mesi dall’esecuzione dell’adempimento successivo.

12. Relazioni commerciali con l’estero
Il fornitore desidera sottolineare che le riesportazioni di merci verso la Russia o la Bielorussia, così come il loro utilizzo in tali Paesi, sono vietate. In caso di violazione della presente normativa, il fornitore è tenuto per legge (a) a segnalare tempestivamente la violazione alle autorità competenti e (b) a verificare il rapporto commerciale con l’acquirente nel suo complesso, con l’eventualità di un’interruzione immediata del rapporto commerciale.

13. Luogo di adempimento e foro competente
Luogo di adempimento e foro competente di tutte le controversie contrattuali è la sede del fornitore. Il fornitore è tuttavia autorizzato a citare in giudizio il cliente presso la sua sede. Nel rapporto giuridico si applica esclusivamente il diritto tedesco.

ES Condiciones generales de contratación ZCC Cutting Tools Europe GmbH - “Proveedor”

1. Generalidades
Las siguientes condiciones de venta y entrega se aplican a todas las ofertas y pedidos –presentes y futuros– con empresas, personas jurídicas de derecho público y fondos especiales de derecho público, relacionados con suministros y otros servicios, incluidos contratos de obras y contratos para el suministro de bienes fungibles y no fungibles que deban fabricarse o producirse. Cualquier otro acuerdo o condición del cliente solo tendrá validez si el proveedor los acepta expresamente y por escrito.

2. Oferta y documentación técnica
Por lo general, las ofertas no entrañan compromiso alguno, sino que adquieren su vinculatoriedad con la confirmación por escrito del pedido por parte del proveedor. Las imágenes, diseños y medidas incluidas en la oferta se deben entender como datos aproximados.

3. Valor del contrato
El valor mínimo del contrato será de 150 € netos para bienes y servicios. Si no se alcanza el valor mínimo del pedido, se cobrará un recargo logístico de 8 € por pedido. En el caso de las placas intercambiables comunes, en principio solo se suministran paquetes de 10 unidades cada uno (puede haber excepciones para: placas para roscar, placas CBN/PCD, placas intercambiables de mayor tamaño con círculo inscrito > 19 mm).

4. Entrega
El proveedor está obligado a cumplir las fechas acordadas siempre que sea posible. Si se presentara algún obstáculo que, a pesar de haber actuado con toda la diligencia necesaria, el proveedor no pudiera evitar, independientemente de que se presentara por su parte, por la del cliente o por la de un tercero, en especial, pero no exclusivamente, debido a huelga, cierre perimetral, pandemia, cortes en la cadena de suministro, catástrofes naturales, disturbios, conflictos armados u otros motivos de fuerza mayor, retrasos en la fabricación o en el transporte, cualquier reclamación de responsabilidad o de daños y perjuicios será considerada nula. El retraso en la entrega no exime de la obligación de recepción. Las ofertas de stock están sujetas a venta previa. En el caso de producciones especiales, se permite hasta un 10 % de falta o exceso de suministro por motivos técnicos derivados de la fabricación. Se facturará la cantidad suministrada.

5. Precios
Los precios ofrecidos se aplican por unidad y con los gastos de aduana pagados desde el almacén de Alemania, incluyendo embalajes especiales, gastos de envío e impuestos, así como los gastos de aduana fuera de la UE. Si, transcurridas cuatro semanas desde la formalización del contrato, se producen cambios en las tasas o en otros costes externos incluidos en el precio acordado, o si surgen otros costes o tasas, el proveedor tendrá derecho a variar el precio en consecuencia. Si el fabricante aumenta sus precios antes de que el proveedor haya realizado la entrega, el proveedor tendrá derecho a aumentar en la misma proporción el precio acordado con el cliente por la mercancía aún no entregada cuando y en la medida que el proveedor aumente sus precios en general.

6. Pago
Si no se acuerda otra cosa, el importe neto de las facturas deberá pagarse en el plazo de 30 días a partir de la fecha de facturación. En caso de incumplimiento, el proveedor tiene derecho a facturar intereses de mora por la cuantía de los costes correspondientes a los créditos bancarios a corto plazo. No se tendrá en cuenta la fecha del vencimiento del pago. Salvo que se acuerde o se indique otra cosa en la factura del proveedor, los pagos deberán realizarse inmediatamente después de la entrega, sin descuento por pronto pago, y de manera que el proveedor pueda disponer del importe en la fecha de vencimiento. Los costes originados por las operaciones de pago correrán a cargo del cliente. El cliente solo tendrá derecho de retención y de compensación en la medida en que sus contrademandas sean irrefutables o declaradas firmes, o se basen en la misma relación contractual (por ejemplo, reclamaciones por defectos o por costes de finalización). Cualquier descuento por pronto pago acordado se aplicará exclusivamente al importe de factura y presupondrá el cumplimiento de la totalidad de las obligaciones pendientes en el momento de aplicación del descuento. Si se supera el plazo de pago o en caso de demora en el pago, el proveedor cobrará intereses a un tipo de 8 puntos porcentuales por encima del tipo básico de interés, a menos que se hayan acordado tipos de interés superiores. Adicionalmente, el proveedor tendrá derecho a cobrar un importe por demora de 40,00 €. Nos reservamos el derecho de reclamar otros daños, en particular los gastos adicionales relacionados con las variaciones y las coberturas del tipo de cambio. En caso de que, una vez concluida la formalización del contrato, se evidenciara que el pago se ve amenazado por la falta de medios financieros del cliente, el proveedor podrá acogerse a los derechos previstos en el artículo 321 del Código Civil alemán (excepción por inseguridad). Esto también se aplica en el caso de que se redujera o anulara el límite de crédito comercial fijado por el proveedor o su aseguradora de crédito comercial, o si el cliente se demora en el pago de una parte considerable de la cantidad debida o surgen otras circunstancias que pudieran indicar una disminución significativa en la solvencia del cliente después de la formalización del contrato. En este caso, el proveedor también tendrá derecho a declarar el vencimiento anticipado de todos los cobros pendientes no vencidos, resultantes de la relación comercial actual con el cliente. Asimismo, la excepción por inseguridad se extenderá a todas las demás entregas y servicios pendientes resultantes de la relación comercial con el cliente.

7. Envío y cesión del riesgo
El riesgo, incluido el riesgo de incautación de la mercancía, se transmitirá al cliente en todas las transacciones, incluyendo envíos sin portes o con portes pagados, en el momento en el que se entrega la mercancía a un agente de transporte o a un transportista, pero a más tardar en el momento que la mercancía abandona la fábrica proveedora o almacén. El proveedor solo proporcionará un seguro para la mercancía si así lo solicita el cliente, quien deberá hacerse cargo de los costes. La obligación de descarga y cualquier coste derivado correrán a cargo del cliente. Los beneficios y los riesgos pasan al cliente, a más tardar, con la entrega desde el centro logístico o la fábrica, y en el caso de una entrega a una agencia de transporte o transportista, en el momento de dicha entrega. Si el cliente no proporcionara instrucciones a su debido tiempo, será el proveedor quien determine la agencia de transporte o el transportista. Solo se contratarán seguros frente a daños o pérdida a petición expresa del cliente y siempre que este corra con los gastos.
Si, por causas no imputables al proveedor, se dificultara considerablemente o no fuera posible el transporte por el medio previsto, al destino previsto o en el plazo previsto, el proveedor tendrá derecho a proceder al envío de la mercancía por otro medio o a otro destino. Los gastos adicionales resultantes correrán a cargo del cliente. Previamente se le dar al cliente la posibilidad de presentar sus alegaciones.

8. Reclamaciones y garantía
El cliente deberá comprobar la entrega inmediatamente después de su recepción y comunicar por escrito cualquier posible defecto en el plazo de 14 días a partir de la fecha de entrega. Esto mismo se aplica a los defectos o ausencia de certificados de inspección, declaraciones de rendimiento, fichas de datos de seguridad, listas de sustancias, marca CE, marca de conformidad Ü que deban suministrarse. Los defectos que no se hayan detectado dentro de este plazo, deberán comunicarse por escrito inmediatamente después de su detección o, a más tardar, antes de que expire el plazo de prescripción acordado o legal, suspendiendo de inmediato cualquier procesamiento o transformación de la mercancía. Una vez realizada una inspección de recepción según previo acuerdo, el cliente no podrá reclamar ningún defecto material que pudiera haber sido detectado mediante el tipo de inspección concertado. Cuando una reclamación por defectos se justifica y notifica en el plazo debido, el proveedor podrá, a su libre elección, proceder a corregir los defectos o sustituir la mercancía por otra no defectuosa. En caso de incumplimiento o rechazo de la sustitución o subsanación, el cliente podrá reducir el precio de compra o rescindir el contrato si no obtiene resultados tras la fijación y expiración de un plazo razonable. En el caso de que el objeto de la responsabilidad por defectos sea una obra de construcción , el cliente únicamente podrá reclamar una reducción del precio. Lo mismo se aplicará si la mercancía ya hubiera sido vendida, procesada o transformada. Si el cliente no da ocasión de inmediato a que el proveedor se cerciore del defecto y, en particular, si no pone a disposición para su inspección la mercancía objeto de la reclamación o muestras de la misma, perderá cualquier derecho de reclamación por defectos materiales. Esto también es aplicable en el caso de que el valor o la idoneidad de la mercancía se reduzcan de forma insignificante. El proveedor solo se hará cargo de los gastos resultantes de una sustitución, en particular los de desmantelación e instalación de la mercancía defectuosa, cuando sean razonables en el caso concreto, particularmente en relación con el precio de compra de la mercancía, y no superen en ningún caso el 150 % del valor de la mercancía. Quedan excluidos los gastos en los que incurra el cliente para la subsanación de un defecto sin que se cumplan los requisitos legales para ello. El proveedor no se hará cargo de los gastos ocasionados por un posible traslado de la mercancía a otro lugar distinto de la sede social o de la sucursal del cliente, salvo que sea conforme al uso contractual. Los derechos de recurso del cliente según el artículo 478 del Código Civil alemán (BGB) no se verán afectados. Queda excluida cualquier otra reclamación, incluidas las de daños y perjuicios por defectos o por consecuencias derivadas de estos.

9. Devolución
El cliente podrá devolver la mercancía en el plazo de 30 días y tras un acuerdo previo y por escrito con el proveedor. Sin esta autorización escrita, el proveedor tendrá derecho a no aceptar las devoluciones enviadas contra reembolso y no autorizadas. La mercancía se deberá devolver en perfecto estado y en su embalaje original intacto y plenamente funcional. Si la devolución no se debe a una falta del proveedor, se cobrarán unos gastos de tramitación del 15 % con un importe mínimo de 15 €. En principio, los productos de fabricación especial o por encargo no se pueden devolver. Siempre que se emita un abono de la mercancía, la cuantía de este resultará del importe de la factura original/el valor de la mercancía.

10. Reserva de propiedad
La mercancía suministrada seguirá siendo propiedad del proveedor (mercancía bajo reserva) hasta que se hayan satisfecho todas las deudas que le correspondan por la respectiva entrega. Esto también incluye créditos futuros y condicionales, por ejemplo de aceptantes cambiarios y también en el caso de que se realicen pagos de créditos identificados de manera especial, así como los créditos establecidos unilateralmente por el administrador de insolvencia para el cumplimiento. El procesamiento y la transformación de la mercancía bajo reserva se llevan a cabo para el proveedor, en calidad de fabricante, en el sentido de lo dispuesto en el art. 950 del Código Civil alemán (BGB), sin implicar obligación alguna por su parte. La mercancía procesada y transformada se considerará mercancía bajo reserva según lo dispuesto en este acuerdo. Si el cliente transforma, combina o mezcla la mercancía bajo reserva con otros productos, al proveedor le corresponderá la copropiedad del nuevo producto resultante en una prorrata del valor en factura de la mercancía bajo reserva respecto al valor en factura de los otros productos empleados.
Si el derecho de propiedad del proveedor expirase por causa de la combinación o mezcla, el cliente transferirá al proveedor sus derechos de propiedad sobre el nuevo producto o existencia en proporción al valor en factura de la mercancía bajo reserva y la custodiará sin coste alguno. Los derechos de copropiedad del proveedor se considerarán como mercancía bajo reserva. Si el cliente se retrasase con un pago o no cumpliese con una letra de cambio a su vencimiento, el proveedor tendrá derecho a recuperar la mercancía bajo reserva y a acceder a las instalaciones o el almacén del cliente con este fin si fuese necesario. Lo mismo se aplicará si, después de la celebración del contrato, se pone de manifiesto que la reclamación de pago del proveedor en virtud de este o de cualquier otro contrato con el cliente se ve comprometida por la falta de solvencia de este. La recuperación de la mercancía no constituye un desistimiento del contrato. El proveedor puede prohibir la reventa, la transformación posterior y la retirada de la mercancía bajo reserva. Las disposiciones del código alemán de insolvencia no se verán afectadas. La mercancía entregada seguirá siendo propiedad del proveedor hasta que se hayan satisfecho todas las obligaciones resultantes de la relación comercial con el cliente.

11. Indemnización, limitación de responsabilidad y plazo de prescripción
El proveedor solo se responsabilizará en casos de dolo o negligencia grave de los incumplimientos de obligaciones contractuales o no contractuales como, en particular, la imposibilidad, demora, infracciones durante la etapa precontractual y cualquier acto ilícito. Esto incluye también los incumplimientos cometidos por parte de sus directivos y ejecutivos auxiliares. La responsabilidad se limitará a los daños típicos y previsibles en el momento de la formalización del contrato. En el caso de cantidades de entrega aproximadas, se calcularán sobre la base de una cantidad mínima del 90 % de la cantidad de entrega prevista en el contrato. Estas limitaciones no se aplicarán en caso de un incumplimiento intencionado de las obligaciones contractuales esenciales, en casos de responsabilidad reglamentaria según la Ley de Responsabilidad por Productos (Produkthaftungsgesetz), en caso de daños a la vida, la integridad física o la salud, ni tampoco si el proveedor ha ocultado defectos con mala fe o garantizado su ausencia. Son esenciales las obligaciones contractuales específicamente descritas, cuyo incumplimiento ponga en peligro la consecución de la finalidad del contrato o aquellas obligaciones contractuales cuyo cumplimiento posibilite la correcta ejecución del contrato en primer lugar y en cuya observancia confíe y pueda confiar regularmente el comprador. Las disposiciones legales sobre la carga de la prueba no se verán afectadas. Salvo que se haya acordado otra cosa, las reclamaciones contractuales, incluidas las reclamaciones por daños y perjuicios basadas en defectos materiales, que el cliente presente al proveedor en relación con el suministro de la mercancía prescribirán una vez transcurrido el periodo de un año desde la entrega de la misma, a menos que se trate de indemnizaciones por lesiones físicas o daños para la salud o daños típicos y previsibles, o se basen en dolo o negligencia grave por parte del proveedor. Este plazo también se aplica a las mercancías que se utilicen para una construcción de acuerdo con su forma habitual de uso y que hayan causado la defectuosidad de la obra, a menos que esta forma de uso se haya acordado por escrito. En los casos en los que el proveedor haya reconocido la reclamación de subsanación del comprador, el plazo de prescripción no comenzará de nuevo, sino que se suspenderá hasta que transcurran tres meses desde que se lleve a cabo dicha subsanación.

12. Comercio exterior
El proveedor desea recordar que está prohibida la reexportación de las mercancías a Rusia o Bielorrusia, así como su uso en estos países. En caso de incumplimiento de esta normativa, el proveedor está legalmente obligado (a) a informar inmediatamente a las autoridades competentes sobre la infracción y (b) a revisar exhaustivamente la relación comercial con el comprador, con la posibilidad de terminar de forma inmediata la relación comercial.

13. Lugar de cumplimiento y jurisdicción
El lugar de cumplimiento y la jurisdicción de todas las obligaciones contractuales es la sede del proveedor. Sin embargo, el proveedor tiene derecho a demandar al cliente en la sede social de este. La relación jurídica se regirá exclusivamente por el Derecho alemán.
