General Terms and Conditions ZCC Cutting Tools Europe GmbH – ‘Supplier’

1. General

The following Terms and Conditions of Sale and Delivery shall apply to all – including future – quotations and orders with companies, legal entities under public law and separate funds under public law for deliveries and other services, including contracts for work and services, contracts for the delivery of fungible and non-fungible goods to be manufactured or produced. Any deviating agreements or conditions of the Customer shall only be valid provided they have been explicitly accepted by the Supplier in writing.

2. Quotation and technical documents

Quotations are generally non-binding. They shall only become binding upon written confirmation of the order by the Supplier. The pictures, drawings and dimensions contained in the quotation are approximations.

3. Order value

The minimum order value for goods and services is €150. If the minimum order value is not reached, a flat fee of €8 per order will be added as a logistics surcharge. Common inserts are supplied exclusively in quantities of ten (10) packaging units (exceptions to this may apply for: thread inserts, CBN/PCD inserts, inserts of larger dimensions with an inner circle of larger than 19 mm).

4. Delivery

The Supplier shall endeavour to meet the agreed deadlines whenever possible. Should issues occur that the Supplier cannot prevent despite exercising due care, any liability or claim for damages shall be null and void, irrespective of whether the issues occur at the Supplier's, at the Customer's or at a third party's premises, including but not limited to the result of strike action, lockouts, pandemics, interruption to supply chains, environmental disasters, riots or armed conflict, or similar force majeure, delays in production or transport. Delayed delivery shall not constitute a release from the purchase obligation. Quotations based on inventory levels are subject to prior sale. In the case of custom products, deviations from the agreed delivery quantity of up to plus or minus ten per cent (10%) due to production-related reasons are permitted. The delivered quantity will be invoiced.

5. Prices

The prices quoted are per item and duty is paid ex stock in Germany, plus special packaging, shipping costs and statutory VAT, as well as customs duty outside the EU. If taxes and other external costs included in the agreed price change later than four (4) weeks after conclusion of the contract or if they are newly incurred, the Supplier shall be entitled to change the price to the corresponding extent. If the manufacturer increases its prices before the Supplier has delivered, the Supplier shall be entitled to increase the price agreed with the Customer for the goods not yet delivered to the same extent if and to the extent that the Supplier increases its prices in general.

6. Payment

Unless agreed otherwise, invoices shall be payable net within thirty (30) calendar days of the invoice date. In the event of default, the Supplier shall be entitled to charge default interest amounting to the respective costs for short-term bank loans. The due date of the payment shall not be affected. Unless agreed otherwise or stated in the Supplier's invoices, payment shall be made immediately after delivery without any discount by means of payment method that enables the Supplier to dispose of the amount on the due date. The Customer shall bear the payment transaction costs. The Customer shall only be entitled to a right of retention and a right of set-off insofar as its counterclaims are undisputed or have been legally established or result from the same contractual relationship (claims for defects or claims for completion costs, for example). Any agreed discount is only applicable to the value of the invoice. The provision of a discount requires that the Customer has settled all due liabilities in full at the time of the discount. If the payment deadline is exceeded or if the Customer defaults on payment, the Supplier shall charge interest at a rate of eight (8) percentage points above the base rate, unless higher interest rates have been agreed. In addition, the Supplier is entitled to payment of a flat fee of €40. We reserve the right to claim further damages, in particular additional expenses in connection with exchange rate fluctuations and hedging. If, after the contract is entered into, it becomes apparent that the Supplier's entitlement to payment is jeopardised by the Customer's inability to pay, the Supplier shall be entitled to the rights set out under Section 321 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) ('Defence of uncertainty'). The same shall apply if the commercial credit limit set by the Supplier or its commercial credit insurer is reduced or cancelled or if the Customer defaults on payment of a significant amount or other circumstances arise which indicate a significant deterioration in the Customer's ability to pay after the contract is entered into. The Supplier shall then also be entitled to call due all accounts receivable not yet due from the current business relationship with the Customer. Furthermore, the defence of uncertainty shall extend to all other outstanding deliveries and services from the business relationship with the Customer.

7. Shipping and transfer of risk

The risk, including the risk of seizure of the goods, shall transfer to the Customer for all transactions, including carriage paid and free deliveries, when the goods are handed over to a forwarder or carrier, but no later than when they leave the warehouse or the supplier plant. The Supplier shall only provide insurance at the instruction and expense of the Customer. The obligation to unload and the costs of unloading shall be borne by the Customer. Benefit and risk shall transfer to the Customer at the latest upon delivery from the logistics centre or factory; in the event of handover to a forwarder or carrier, the benefit and risk shall transfer at the time of such handover. The forwarder or carrier shall be determined by the Supplier in the absence of timely instructions from the Customer. Insurance against damage or loss will only be taken out at the express request and expense of the Customer. If, through no fault of the Supplier, transport by the intended route or to the intended place at the intended time becomes impossible or substantially more difficult, the Supplier shall be entitled to deliver by another route or to another place; the Customer shall bear the additional costs incurred. The Customer shall be given the opportunity to comment beforehand.

8. Complaints and warranty

The Customer must inspect the delivery immediately upon receipt and notify us in writing of any defects within fourteen (14) calendar days after delivery at the latest. The same shall apply to defects or the absence of test certificates, declarations of performance, safety data sheets, lists of substances, CE marks and U marks that should be included in the delivery. Defects which cannot be discovered within this period even after performing an extremely thorough inspection must be reported in writing immediately after discovery, at the latest before the expiry of the agreed or statutory limitation period, with any processing ceasing immediately. After the Customer has accepted the goods as agreed, the notification of material defects that were detectable during the agreed type of acceptance shall be excluded. In the event of a justified notice of defect within the period, the Supplier may, at its discretion, remedy the defect or deliver a defect-free item (supplementary performance). In the event of failure or refusal of supplementary performance, the Customer may reduce the purchase price or withdraw from the contract after setting and the unsuccessful expiry of a reasonable deadline. If construction work is the subject of liability for defects, the Customer shall only be entitled to the right of reduction. The same shall apply if the goods have already been sold, processed or reshaped. If the Customer does not immediately give the Supplier the opportunity to confirm the existence of the defect, in particular if the Customer does not immediately make the rejected goods or samples thereof available upon request, all rights due to the material defect shall lapse. The same shall apply in the event of an insignificant reduction in the value or suitability of the goods. Expenses incurred in connection with the supplementary performance, in particular costs that arise in connection with the installation and removal of the defective item, shall only be borne by the Supplier insofar as they are reasonable in the individual case, in particular in relation to the purchase price of the goods, but in no case in excess of 150 per cent (150%) of the value of the goods. Costs incurred by the Customer due to the Customer itself remedying the defect without the legal requirements for this being met shall be excluded. The Supplier shall not bear any expenses incurred by the fact that the goods sold have been taken to a place other than the Customer's registered office or branch unless this would be in accordance with their contractual use. The Customer's rights of recourse according to Section 478 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) shall remain unaffected. All further claims including the assertion of damages for defects or consequences of defects shall be excluded.

9. Returns

The Customer shall only be permitted to return the goods within thirty (30) calendar days and after prior written agreement with the Supplier. The Supplier is entitled to not accept returns sent carriage forward and unapproved without such written approval. The goods must be returned in perfect condition and in the undamaged, fully functional original packaging. If the return is not due to the fault of the Supplier, a processing fee of fifteen per cent (15%), but at least a minimum of €15, will be charged. Returns of custom products are not generally accepted. Insofar as a goods credit note is granted, the amount of the credit note shall result from the amount of the original invoice/value of goods.

10. Reservation of proprietary rights

All goods delivered shall remain the property of the Supplier (reserved goods) until the claims to which the Supplier is entitled from the respective delivery have been fulfilled. This shall also apply to subsequent conditional claims, such as claims from acceptor's bills of exchange, as well as if specifically designated claims are settled by effecting payment, and also to any claims made unilaterally by the insolvency administrator by way of choice of performance. The goods subject to the reservation of proprietary rights shall be processed for the Supplier as manufacturer within the meaning of Section 950 of the German Civil Code (Bürgerliches Gesetzbuch, BGB) without obligating the Supplier. The processed goods shall be deemed to be goods subject to the reservation of proprietary rights within the meaning of this Agreement. Should the Customer process, combine or mix the reserved goods with other goods, the Supplier shall be entitled to co-ownership of the new item in proportion to the invoice value of the reserved goods to the invoice value of the other goods used. If the Supplier ceases to own the item as a result of combining or mixing, the Customer shall immediately transfer the ownership rights to the Supplier to which it is entitled in the new stock or item to the extent of the invoice value of the goods subject to the reservation of proprietary rights and shall hold them in safe custody for the Supplier free of charge. The Supplier's co-ownership rights shall be deemed to be reserved goods. If the Customer is in default of payment or does not honour a bill of exchange when due, the Supplier shall be entitled to repossess the reserved goods and, if necessary, to enter the Customer's business or warehouse for this purpose. The same shall apply if, after the contract is entered into, it becomes apparent that the Supplier's entitlement to payment under this or other contracts with the Customer is jeopardised by the Customer's inability to pay. The repossession of the reserved goods does not constitute a withdrawal from the contract. The Supplier may also prohibit the resale, further processing and removal of the reserved goods. The provisions of the German Insolvency Code (Insolvenzordnung) shall remain unaffected. The delivered goods shall remain the property of the Supplier until all claims arising from the business relationship with the Customer have been settled in full.

11. Compensation, limitation of liability and statute of limitation

In the event of a breach of contractual and non-contractual obligations, in particular due to impossibility, delay, fault in the conclusion of the contract (culpa in contrahendo) and tort, the Supplier shall be liable – including for its executive employees and other vicarious agents – only in cases of intent and gross negligence, limited to the typical contractual damage foreseeable at the time of conclusion of the contract. For approximate delivery quantities, this shall be calculated on the basis of the minimum quantity of ninety per cent (90%) of the delivery quantity provided for in the contract. These limitations shall not apply in the event of a culpable breach of material contractual obligations, in cases of mandatory liability under the German Product Liability Act (Produkthaftungsgesetz), in the event of death, physical injury or illness, and shall also not apply if and to the extent that the Supplier has fraudulently concealed defects in the item or guaranteed their absence. Material contractual obligations are specifically described contractual obligations, the breach of which jeopardises the achievement of the purpose of the contract and such contractual obligations, the fulfilment of which renders the performance of the contract possible and on the compliance with which the purchaser regularly relies and may rely. The statutory regulations on the burden of proof shall remain unaffected by this. Unless agreed otherwise, contractual claims, including claims for damages due to material defects that the Customer makes against the Supplier based on or in connection with the delivery of the goods, shall become time-barred one (1) year after delivery of the goods, unless they include compensation for physical injury or illness, foreseeable damage or are based on intent or gross negligence on the part of the Supplier. This period shall also apply to such goods which are used in accordance with their intended purpose for a building and have caused its defectiveness, unless this intended purpose was agreed in writing. In cases where the Supplier has acknowledged the purchaser's claim for supplementary performance, the limitation period shall not start anew, but shall be suspended until the expiry of three (3) months after the supplementary performance has been carried out.

12. Foreign trade transactions

The Supplier wishes to point out that the re-export of goods to Russia or Belarus and their use in those countries is prohibited. In the event of any breach of this rule, the Supplier is legally obliged (a) to immediately report the breach to the competent authorities; and (b) to carry out a thorough review of the business relationship with the Buyer, which may also include the possibility of immediate termination of the business relationship.

13. Place of performance and jurisdiction

The place of performance and jurisdiction for all contractual obligations is the registered office of the Supplier. However, the Supplier is entitled to sue the Customer at the Customer's registered office. The legal relationship shall be governed exclusively by German law.

Etwaige abweichende Vereinbarungen oder Bedingungen des Kunden haben nur Gültigkeit, soweit sie vom Lieferanten ausdrücklich und schriftlich angenommen wurden.

2. Angebot und technische Unterlagen

Angebote sind generell unverbindlich, Sie erlangen ihre Verbindlichkeit erst mit der schriftlichen Bestätigung des Auftrages durch den Lieferanten. Die im Angebot enthaltenen Abbildungen, Zeichnungen und Maßgaben sind als ungefähre Angaben zu verstehen.

3. Auftragswert

Der Mindestauftragswert beträgt 150 € netto für Waren und Dienstleistungen. Bei Unterschreitung des Mindestauftragswertes wird ein Logistikkzuschlag von € 8,- je Bestellung pauschal erhoben. Bei gängigen Wendeschneidplatten werden grundsätzlich nur Verpackungseinheiten zu je 10 Stück abgegeben (Ausnahmen hiervon können gelten für: Gewindeplatten, CBN/PKD-Platten, Wendeschneidplatten größerer Abmessungen mit Inkreis > 19 mm).

4. Lieferung

Der Lieferant ist bemüht, die vereinbarten Termine, wenn immer möglich, einzuhalten. Wenn Hindernisse auftreten, die der Lieferant trotz Anwendung der gebotenen Sorgfalt nicht abwenden kann, ungeachtet, ob sie bei ihm, beim Kunden oder bei einem Dritten eintreten, insbesondere, aber nicht abschließend, durch Streik, Lockout, Pandemie, Unterbrechung von Lieferketten, Umweltkatastrophen, Unruhen oder kriegerischer Auseinandersetzung, oder ähnlicher höherer Gewalt, Verzögerungen in der Herstellung oder beim Transport auftreten, so ist jegliche Haftung bzw. jeglicher Schadenersatzanspruch aufgehoben. Verspätete Lieferung befreit nicht von der Abnahmepflicht. Angebote aus Vorratsbeständen verstehen sich vorbehaltlich Zwischenverkauf. Bei Sonderfertigungen sind aus fertigungstechnischen Gründen Über- oder Unterlieferungen bis zu 10 % zulässig. Berechnet wird die gelieferte Menge.

5. Preise

Die angebotenen Preise gelten je Stück und verzollt ab Lager Deutschland, zzgl. besonderer Verpackung, Versandkosten und gesetzlicher MwSt., sowie Zoll außer EU. Ändern sich später als vier Wochen nach Vertragsschluss Abgaben und andere Fremdkosten, die im vereinbarten Preis enthalten sind, oder entstehen sie neu, ist der Lieferant im entsprechenden Umfang zu einer Preisänderung berechtigt. Erhöht der Hersteller seine Preise, bevor der Lieferant geliefert hat, ist der Lieferant berechtigt, den mit dem Kunden vereinbarten Preis für die noch nicht ausgelieferte Ware im gleichen Rahmen zu erhöhen, wenn und soweit der Lieferant seine Preise allgemein erhöht.

6. Zahlung

Falls nicht anders vereinbart, sind die Rechnungen innerhalb von 30 Kalendertagen ab Rechnungsdatum rein netto zahlbar. Im Verzugsfalle ist der Lieferant berechtigt, Verzugszinsen in Höhe der jeweiligen Kosten für kurzfristige Bankkredite zu berechnen. Die Fälligkeit der Zahlung bleibt davon unberücksichtigt. Zahlung hat, sofern nichts anderes vereinbart oder in den Rechnungen des Lieferanten angegeben ist, sofort nach Lieferung ohne Skontoabzug in der Weise zu erfolgen, dass der Lieferant am Fälligkeitstag über den Betrag verfügen kann. Kosten des Zahlungsverkehrs trägt der Kunde. Ein Zurückbehaltungsrecht und eine Aufrechnungsbefugnis stehen dem Kunde nur insoweit zu, als seine Gegenansprüche unbestritten oder rechtskräftig festgestellt sind oder aus demselben Vertragsverhältnis resultieren (z.B. Mängelansprüche oder Ansprüche wegen Fertigstellungskosten). Ein vereinbartes Skonto bezieht sich auf den Rechnungswert. Die Skontierung setzt den vollständigen Ausgleich aller fälligen Verbindlichkeiten des Kunden im Zeitpunkt der Skontierung voraus. Bei Überschreiten des Zahlungszieles oder bei Zahlungsverzug berechnet der Lieferant Zinsen in Höhe von 8 Prozentpunkten über dem Basiszinssatz, es sei denn, höhere Zinssätze sind vereinbart. Außerdem hat der Lieferant Anspruch auf Zahlung einer Pauschale in Höhe von 40,00 €. Die Geltendmachung eines weiteren Schadens, insbesondere Mehraufwendungen im Zusammenhang mit Wechselkursänderungen und Kurssicherungen, bleibt vorbehalten. Wird nach Abschluss des Vertrages erkennbar, dass der Zahlungsanspruch des Lieferanten durch mangelnde Leistungsfähigkeit des Kunden gefährdet wird, stehen dem Lieferanten die Rechte aus § 321 BGB (Unsicherheitseinde) zu. Das Gleiche gilt, wenn das von dem Lieferanten oder seinem Warenkreditversicherer gesetzte Warenkreditlimit reduziert oder gestrichen wird oder wenn der Kunde mit einem erheblichen Betrag in Zahlungsverzug gerät oder andere Umstände eintreten, die auf eine wesentliche Verschlechterung der Zahlungsfähigkeit des Kunden nach Vertragsschluss schließen lassen. Der Lieferant ist dann auch berechtigt, alle noch nicht fälligen Forderungen aus der laufenden Geschäftsverbindung mit dem Kunden fällig zu stellen. Im Übrigen erstreckt sich die Unsicherheitseinde auf alle weiteren ausstehenden Lieferungen und Leistungen aus der Geschäftsverbindung mit dem Kunden.

7. Versand und Gefahrenübergang

Mit der Übergabe der Ware an einen Spediteur oder Frachtführer, spätestens jedoch mit Verlassen des Lagers oder des Lieferwerks geht die Gefahr, auch die einer Beschlagnahme der Ware, bei allen Geschäften, auch Franko oder Frei-Haus-Lieferungen, auf den Kunden über. Für Versicherungen sorgt der Lieferant nur auf Weisung und Kosten des Kunden. Die Pflicht zur Entladung sowie die Kosten der Entladung trägt der Kunde. Nutzen und Gefahr gehen spätestens mit Ablieferung ab Logistikzentrum oder Werk auf den Kunden über, bei Übergabe an einen Spediteur oder Frachtführer in den Zeitpunkten dieser Übergabe. Mangels rechtzeitiger Anweisung seitens des Kunden wird der Spediteur oder Frachtführer vom Lieferanten bestimmt. Versicherungen gegen Beschädigung oder Verlust werden nur auf ausdrücklichen Wunsch und auf Kosten des Kunden abgeschlossen. Wird ohne das Verschulden des Lieferanten der Transport auf dem vorgesehenen Weg oder zu dem vorgesehenen Ort in der vorgesehenen Zeit unmöglich oder wesentlich erschwert, so ist der Lieferant berechtigt, auf einem anderen Weg oder zu einem anderen Ort zu liefern; die entstehenden Mehrkosten trägt der Kunde. Dem Kunden wird vorher Gelegenheit zur Stellungnahme gegeben.

8. Beanstandungen und Gewährleistung

Der Kunde hat die Lieferung unverzüglich nach Eingang zu prüfen und etwaige Mängel innerhalb von spätestens 14 Kalendertagen nach Ablieferung schriftlich mitzuteilen. Gleiches gilt für Mängel bzw. das Fehlen mitzuliefernder Prüfbescheinigungen, Leistungserklärungen, Sicherheitsdatenblätter, Stofflisten, CE-Kennzeichen, Ü-Zeichen. Mängel, die auch bei sorgfältigster Prüfung innerhalb dieser Frist nicht entdeckt werden können, sind – unter sofortiger Einstellung etwaiger Be- und Verarbeitung – unverzüglich nach Entdeckung schriftlich anzuzeigen, spätestens vor Ablauf der vereinbarten oder gesetzlichen Verjährungsfrist. Nach Durchführung einer vereinbarten Abnahme der Ware durch den Kunden ist die Rüge von Sachmängeln, die bei der vereinbarten Art der Abnahme feststellbar waren, ausgeschlossen. Bei berechtigter, fristgemäßer Mängelrüge kann der Lieferant nach seiner Wahl den Mangel beseitigen oder eine mangelfreie Sache liefern (Nacherfüllung). Bei Fehlschlägen oder Verweigerung der Nacherfüllung kann der Kunde den Kaufpreis mindern oder nach Setzung und erfolglosem Ablauf einer angemessenen Frist vom Vertrag zurücktreten. Ist eine Bauleistung Gegenstand der Mängelhaftung, steht dem Kunden nur das Minderungsrecht zu. Gleiches gilt, wenn die Ware bereits veräußert, verarbeitet oder umgestaltet ist. Gibt der Kunde dem Lieferanten nicht unverzüglich Gelegenheit, diesen von dem Mangel zu überzeugen, stellt er insbesondere nicht unverzüglich auf Verlangen die beanstandete Ware oder Proben davon zur Verfügung, entfallen alle Rechte wegen des Sachmangels. Gleiches gilt bei einer unerheblichen Minderung des Wertes oder der Tauglichkeit der Ware. Aufwendungen im Zusammenhang mit der Nacherfüllung, insbesondere Kosten im Zusammenhang mit dem Ein- und Ausbau der mangelhaften Sache, übernimmt der Lieferant nur, soweit sie im Einzelfall, insbesondere im Verhältnis zum Kaufpreis der Ware, angemessen sind, keinesfalls aber über 150 % des Warenwertes. Ausgeschlossen sind Kosten des Kunden für die Selbstbeseitigung eines Mangels, ohne dass hierfür die gesetzlichen Voraussetzungen vorliegen. Aufwendungen, die dadurch entstehen, dass die verkaufte Ware an einen anderen Ort als den Sitz oder die Niederlassung des Kunden verbracht worden ist, übernimmt der Lieferant nicht, es sei denn, dies entspräche ihrem vertragsgemäßen Gebrauch. Rückgriffsrechte des Kunden nach § 478 BGB bleiben unberührt. Sämtliche weitergehenden Ansprüche einschließlich der Geltendmachung von Schadenersatz für Mängel oder Mängelfolgen sind ausgeschlossen.

9. Rücksendungen

Die Rücksendung der Ware ist dem Kunden nur innerhalb von 30 Kalendertagen und nach vorheriger schriftlicher Vereinbarung mit dem Lieferanten gestattet. Ohne eine solche schriftliche Genehmigung ist der Lieferant berechtigt, unfrei zugesandte und nicht genehmigte Rücksendungen nicht anzunehmen. Die Ware ist in einwandfreiem Zustand und in der unbeschädigten und uneingeschränkt funktionsfähigen Originalverpackung zu retournieren. Ist die Rücksendung nicht durch Verschulden des Lieferanten begründet, werden Bearbeitungsgebühren in Höhe von 15 %, mindestens jedoch 15 €, erhoben. Sonderanfertigungen werden grundsätzlich nicht zurückgenommen. Soweit eine Warengutschrift gewährt wird, ergibt sich die Höhe der Gutschrift aus dem Betrag der Originalrechnung / Warenwert.

10. Eigentumsvorbehalt

Alle gelieferten Waren bleiben Eigentum des Lieferanten (Vorbehaltsware) bis zur Erfüllung der Forderungen, die ihm aus der jeweiligen Lieferung zustehen. Dies gilt auch für künftig entstehende bedingte Forderungen, z.B. aus Akzeptantenwechseln, und auch, wenn Zahlungen auf besonders bezeichnete Forderungen geleistet werden, und auch für die Forderungen, die durch den Insolvenzverwalter einseitig im Wege der Erfüllungswahl begründet werden. Be- und Verarbeitung der Vorbehaltsware erfolgen für den Lieferanten als Hersteller im Sinne von § 950 BGB, ohne den Lieferanten zu verpflichten. Die be- und verarbeitete Ware gilt als Vorbehaltsware im Sinne dieser Vereinbarung. Bei Verarbeitung, Verbindung und Vermischung der Vorbehaltsware mit anderen Waren durch den Kunden steht dem Lieferanten das Miteigentum anteilig an der neuen Sache zu im Verhältnis des Rechnungswertes der Vorbehaltsware zum Rechnungswert der anderen verwendeten Waren. Erlischt das Eigentum des Lieferanten durch Verbindung oder Vermischung, so überträgt der Kunde dem Lieferanten bereits jetzt die ihm zustehenden Eigentumsrechte an dem neuen Bestand oder der Sache im Umfang des Rechnungswertes der Vorbehaltsware und verwahrt sie unentgeltlich für den Lieferanten. Die Miteigentumsrechte des Lieferanten gelten als Vorbehaltsware. Gerät der Kunde in Zahlungsverzug oder löst er einen Wechsel bei Fälligkeit nicht ein, ist der Lieferant berechtigt, die Vorbehaltsware zurückzunehmen und zu diesem Zweck ggf. den Betrieb oder das Lager des Kunden zu betreten. Gleiches gilt, wenn nach Abschluss des Vertrages erkennbar wird, dass der Zahlungsanspruch des Lieferanten aus diesem oder aus anderen Verträgen mit dem Kunden durch dessen mangelnde Leistungsfähigkeit gefährdet wird. Die Rücknahme ist kein Rücktritt vom Vertrag. Der Lieferant kann außerdem die Weiterveräußerung, Weiterverarbeitung und Wegschaffung der Vorbehaltsware untersagen. Vorschriften der Insolvenzordnung bleiben unberührt. Die gelieferte Ware bleibt bis zur vollständigen Erfüllung sämtlicher Forderungen aus der Geschäftsbeziehung mit dem Kunden Eigentum des Lieferanten.

11. Schadenersatz, Haftungsbegrenzung und Verjährung

Wegen Verletzung vertraglicher und außervertraglicher Pflichten, insbesondere wegen Unmöglichkeit, Verzug, Verschulden bei Vertragsanbahnung und unerlaubter Handlung, haftet der Lieferant – auch für seine leitenden Angestellten und sonstigen Erfüllungsgehilfen – nur in Fällen des Vorsatzes und der groben Fahrlässigkeit, beschränkt auf den bei Vertragsschluss voraussehbaren vertragstypischen Schaden. Dieser berechnet sich bei Zirka-Lieferungen auf der Grundlage der Mindestmenge von 90 % der im Vertrag vorgesehenen Liefermenge. Diese Beschränkungen gelten nicht bei schuldhaftem Verstoß gegen wesentliche Vertragspflichten, in Fällen zwingender Haftung nach dem Produkthaftungsgesetz, bei Schäden des Lebens, des Körpers und der Gesundheit und auch dann nicht, wenn und soweit der Lieferant Mängel der Sache arglistig verschwiegen oder deren Abwesenheit garantiert hat. Wesentlich sind konkret beschriebene Vertragspflichten, deren Verletzung die Erreichung des Vertragszwecks gefährdet, oder solche Vertragspflichten, deren Erfüllung die ordnungsgemäße Durchführung des Vertrages überhaupt erst ermöglicht und auf deren Einhaltung der Käufer regelmäßig vertraut und vertrauen darf. Die gesetzlichen Regelungen zur Beweislast bleiben hiervon unberührt. Soweit nichts anderes vereinbart ist, verjähren vertragliche Ansprüche einschließlich sachmangelbedingter Schadenersatzansprüche, die dem Kunden gegen den Lieferanten aus Anlass oder im Zusammenhang mit der Lieferung der Ware entstehen, 1 Jahr nach Ablieferung der Ware, soweit sie nicht den Ersatz für einen Körper- und Gesundheitsschaden oder einen typischen, vorhersehbaren Schaden beinhalten oder auf Vorsatz oder grober Fahrlässigkeit des Lieferanten beruhen. Diese Frist gilt auch für solche Waren, die entsprechend ihrer üblichen Verwendungsweise für ein Bauwerk verwendet werden und dessen Mangelhaftigkeit verursacht haben, es sei denn diese Verwendungsweise wurde schriftlich vereinbart. In den Fällen, in denen der Lieferant den Nacherfüllungsanspruch des Käufers anerkannt hat, beginnt die Verjährung nicht neu, sondern ist bis zum Ablauf von drei Monaten nach Durchführung der Nacherfüllung gehemmt.

12. Außenwirtschaftsverkehr

Der Lieferant möchte darauf hinweisen, dass die Wiederausfuhr der Güter nach Russland oder Belarus sowie deren Verwendung in diesen Ländern untersagt ist. Im Falle eines Verstoßes gegen diese Regelung ist der Lieferant gesetzlich verpflichtet, (a) den Verstoß umgehend den zuständigen Behörden zu melden und (b) die Geschäftsbeziehung zum Käufer umfassend zu überprüfen, was auch die Möglichkeit eines sofortigen Abbruchs der Geschäftsbeziehung einschließt.

13. Erfüllungsort und Gerichtsstand

Erfüllungsort und Gerichtsstand für alle vertraglichen Verbindlichkeiten ist der Sitz des Lieferanten. Der Lieferant ist jedoch berechtigt, den Kunden an dessen Sitz zu belangen. Auf das Rechtsverhältnis ist ausschließlich deutsches Recht anwendbar.

Condiciones generales de contratación ZCC Cutting Tools Europe GmbH - “Proveedor”

1. Generalidades

Las siguientes condiciones de venta y entrega se aplican a todas las ofertas y pedidos –presentes y futuros– con empresas, personas jurídicas de derecho público y fondos especiales de derecho público, relacionados con suministros y otros servicios, incluidos contratos de obras y contratos para el suministro de bienes fungibles y no fungibles que deban fabricarse o producirse. Cualquier otro acuerdo o condición del cliente solo tendrá validez si el proveedor los acepta expresamente y por escrito.

2. Oferta y documentación técnica

Por lo general, las ofertas no entrañan compromiso alguno, sino que adquieren su vinculatoriedad con la confirmación por escrito del pedido por parte del proveedor. Las imágenes, diseños y medidas incluidas en la oferta se deben entender como datos aproximados.

3. Valor del contrato

El valor mínimo del contrato será de 150 € netos para bienes y servicios. Si no se alcanza el valor mínimo del pedido, se cobrará un recargo logístico de 8 € por pedido. En el caso de las placas intercambiables comunes, en principio solo se suministran paquetes de 10 unidades cada uno (puede haber excepciones para: placas para roscar, placas CBN/PCD, placas intercambiables de mayor tamaño con círculo inscrito > 19 mm).

4. Entrega

El proveedor está obligado a cumplir las fechas acordadas siempre que sea posible. Si se presentara algún obstáculo que, a pesar de haber actuado con toda la diligencia necesaria, el proveedor no pudiera evitar, independientemente de que se presentara por su parte, por la del cliente o por la de un tercero, en especial, pero no exclusivamente, debido a huelga, cierre perimetral, pandemia, cortes en la cadena de suministro, catástrofes naturales, disturbios, conflictos armados u otros motivos de fuerza mayor, retrasos en la fabricación o en el transporte, cualquier reclamación de responsabilidad o de daños y perjuicios será considerada nula. El retraso en la entrega no exime de la obligación de recepción. Las ofertas de stock están sujetas a venta previa. En el caso de producciones especiales, se permite hasta un 10 % de falta o exceso de suministro por motivos técnicos derivados de la fabricación. Se facturará la cantidad suministrada.

5. Precios

Los precios ofrecidos se aplican por unidad y con los gastos de aduana pagados desde el almacén de Alemania, incluyendo embalajes especiales, gastos de envío e impuestos, así como los gastos de aduana fuera de la UE. Si, transcurridas cuatro semanas desde la formalización del contrato, se producen cambios en las tasas o en otros costes externos incluidos en el precio acordado, o si surgen otros costes o tasas, el proveedor tendrá derecho a variar el precio en consecuencia. Si el fabricante aumenta sus precios antes de que el proveedor haya realizado la entrega, el proveedor tendrá derecho a aumentar en la misma proporción el precio acordado con el cliente por la mercancía aún no entregada cuando y en la medida que el proveedor aumente sus precios en general.

6. Pago

Si no se acuerda otra cosa, el importe neto de las facturas deberá pagarse en el plazo de 30 días a partir de la fecha de facturación. En caso de incumplimiento, el proveedor tiene derecho a facturar intereses de mora por la cuantía de los costes correspondientes a los créditos bancarios a corto plazo. No se tendrá en cuenta la fecha del vencimiento del pago. Salvo que se acuerde o se indique otra cosa en la factura del proveedor, los pagos deberán realizarse inmediatamente después de la entrega, sin descuento por pronto pago, y de manera que el proveedor pueda disponer del importe en la fecha de vencimiento. Los costes originados por las operaciones de pago correrán a cargo del cliente. El cliente solo tendrá derecho de retención y de compensación en la medida en que sus contrademandas sean irrefutables o declaradas firmes, o se basen en la misma relación contractual (por ejemplo, reclamaciones por defectos o por costes de finalización). Cualquier descuento por pronto pago acordado se aplicará exclusivamente al importe de factura y presupondrá el cumplimiento de la totalidad de las obligaciones pendientes en el momento de aplicación del descuento. Si se supera el plazo de pago o en caso de demora en el pago, el proveedor cobrará intereses a un tipo de 8 puntos porcentuales por encima del tipo básico de interés, a menos que se hayan acordado tipos de interés superiores. Adicionalmente, el proveedor tendrá derecho a cobrar un importe por demora de 40,00 €. Nos reservamos el derecho de reclamar otros daños, en particular los gastos adicionales relacionados con las variaciones y las coberturas del tipo de cambio. En caso de que, una vez concluida la formalización del contrato, se evidenciara que el pago se ve amenazado por la falta de medios financieros del cliente, el proveedor podrá acogerse a los derechos previstos en el artículo 321 del Código Civil alemán (excepción por inseguridad). Esto también se aplica en el caso de que se redujera o anulara el límite de crédito comercial fijado por el proveedor o su aseguradora de crédito comercial, o si el cliente se demora en el pago de una parte considerable de la cantidad debida o surgen otras circunstancias que pudieran indicar una disminución significativa en la solvencia del cliente después de la formalización del contrato. En este caso, el proveedor también tendrá derecho a declarar el vencimiento anticipado de todos los cobros pendientes no vencidos, resultantes de la relación comercial actual con el cliente. Asimismo, la excepción por inseguridad se extenderá a todas las demás entregas y servicios pendientes resultantes de la relación comercial con el cliente.

7. Envío y cesión del riesgo

El riesgo, incluido el riesgo de incautación de la mercancía, se transmitirá al cliente en todas las transacciones, incluyendo envíos sin portes o con portes pagados, en el momento en el que se entrega la mercancía a un agente de transporte o a un transportista, pero a más tardar en el momento que la mercancía abandona la fábrica proveedora o almacén. El proveedor solo proporcionará un seguro para la mercancía si así lo solicita el cliente, quien deberá hacerse cargo de los costes. La obligación de descarga y cualquier coste derivado correrán a cargo del cliente. Los beneficios y los riesgos pasan al cliente, a más tardar, con la entrega desde el centro logístico o la fábrica, y en el caso de una entrega a una agencia de transporte o transportista, en el momento de dicha entrega. Si el cliente no proporcionara instrucciones a su debido tiempo, será el proveedor quien determine la agencia de transporte o el transportista. Solo se contratarán seguros frente a daños o pérdida a petición expresa del cliente y siempre que este corra con los gastos.

Si, por causas no imputables al proveedor, se dificultara considerablemente o no fuera posible el transporte por el medio previsto, al destino previsto o en el plazo previsto, el proveedor tendrá derecho a proceder al envío de la mercancía por otro medio o a otro destino. Los gastos adicionales resultantes correrán a cargo del cliente. Previamente se le dar al cliente la posibilidad de presentar sus alegaciones.

8. Reclamaciones y garantía

El cliente deberá comprobar la entrega inmediatamente después de su recepción y comunicar por escrito cualquier posible defecto en el plazo de 14 días a partir de la fecha de entrega. Esto mismo se aplica a los defectos o ausencia de certificados de inspección, declaraciones de rendimiento, fichas de datos de seguridad, listas de sustancias, marca CE, marca de conformidad Ü que deban suministrarse. Los defectos que no se hayan detectado dentro de este plazo, deberán comunicarse por escrito inmediatamente después de su detección o, a más tardar, antes de que expire el plazo de prescripción acordado o legal, suspendiendo de inmediato cualquier procesamiento o transformación de la mercancía. Una vez realizada una inspección de recepción según previo acuerdo, el cliente no podrá reclamar ningún defecto material que pudiera haber sido detectado mediante el tipo de inspección concertado. Cuando una reclamación por defectos se justifica y notifica en el plazo debido, el proveedor podrá, a su libre elección, proceder a corregir los defectos o sustituir la mercancía por otra no defectuosa. En caso de incumplimiento o rechazo de la sustitución o subsanación, el cliente podrá reducir el precio de compra o rescindir el contrato si no obtiene resultados tras la fijación y expiración de un plazo razonable. En el caso de que el objeto de la responsabilidad por defectos sea una obra de construcción, el cliente únicamente podrá reclamar una reducción del precio. Lo mismo se aplicará si la mercancía ya hubiera sido vendida, procesada o transformada. Si el cliente no da ocasión de inmediato a que el proveedor se cerciore del defecto y, en particular, si no pone a disposición para su inspección la mercancía objeto de la reclamación o muestras de la misma, perderá cualquier derecho de reclamación por defectos materiales. Esto también es aplicable en el caso de que el valor o la idoneidad de la mercancía se reduzcan de forma insignificante. El proveedor solo se hará cargo de los gastos resultantes de una sustitución, en particular los de desmantelamiento e instalación de la mercancía defectuosa, cuando sean razonables en el caso concreto, particularmente en relación con el precio de compra de la mercancía, y no superen en ningún caso el 150 % del valor de la mercancía. Quedan excluidos los gastos en los que incurra el cliente para la subsanación de un defecto sin que se cumplan los requisitos legales para ello. El proveedor no se hará cargo de los gastos ocasionados por un posible traslado de la mercancía a otro lugar distinto de la sede social o de la sucursal del cliente, salvo que sea conforme al uso contractual. Los derechos de recurso del cliente según el artículo 478 del Código Civil alemán (BGB) no se verán afectados. Queda excluida cualquier otra reclamación, incluidas las de daños y perjuicios por defectos o por consecuencias derivadas de estos.

9. Devolución

El cliente podrá devolver la mercancía en el plazo de 30 días y tras un acuerdo previo y por escrito con el proveedor. Sin esta autorización escrita, el proveedor tendrá derecho a no aceptar las devoluciones enviadas contra reembolso y no autorizadas. La mercancía se deberá devolver en perfecto estado y en su embalaje original intacto y plenamente funcional. Si la devolución no se debe a una falta del proveedor, se cobrarán unos gastos de tramitación del 15 % con un importe mínimo de 15 €. En principio, los productos de fabricación especial o por encargo no se pueden devolver. Siempre que se emita un abono de la mercancía, la cuantía de este resultará del importe de la factura original/el valor de la mercancía.

10. Reserva de propiedad

La mercancía suministrada seguirá siendo propiedad del proveedor (mercancía bajo reserva) hasta que se hayan satisfecho todas las deudas que le correspondan por la respectiva entrega. Esto también incluye créditos futuros y condicionales, por ejemplo de aceptantes cambiarios y también en el caso de que se realicen pagos de créditos identificados de manera especial, así como los créditos establecidos unilateralmente por el administrador de insolvencia para el cumplimiento. El procesamiento y la transformación de la mercancía bajo reserva se llevan a cabo para el proveedor, en calidad de fabricante, en el sentido de lo dispuesto en el art. 950 del Código Civil alemán (BGB), sin implicar obligación alguna por su parte. La mercancía procesada y transformada se considerará mercancía bajo reserva según lo dispuesto en este acuerdo. Si el cliente transforma, combina o mezcla la mercancía bajo reserva con otros productos, al proveedor le corresponderá la copropiedad del nuevo producto resultante en una prorrata del valor en factura de la mercancía bajo reserva respecto al valor en factura de los otros productos empleados. Si el derecho de propiedad del proveedor expirase por causa de la combinación o mezcla, el cliente transferirá al proveedor sus derechos de propiedad sobre el nuevo producto o existencia en proporción al valor en factura de la mercancía bajo reserva y la custodiará sin coste alguno. Los derechos de copropiedad del proveedor se considerarán como mercancía bajo reserva. Si el cliente se retrasase con un pago o no cumplierse con una letra de cambio a su vencimiento, el proveedor tendrá derecho a recuperar la mercancía bajo reserva y a acceder a las instalaciones o el almacén del cliente con este fin si fuese necesario. Lo mismo se aplicará si, después de la celebración del contrato, se pone de manifiesto que la reclamación de pago del proveedor en virtud de este o de cualquier otro contrato con el cliente se ve comprometida por la falta de solvencia de este. La recuperación de la mercancía no constituye un desistimiento del contrato. El proveedor puede prohibir la reventa, la transformación posterior y la retirada de la mercancía bajo reserva. Las disposiciones del código alemán de insolvencia no se verán afectadas. La mercancía entregada seguirá siendo propiedad del proveedor hasta que se hayan satisfecho todas las obligaciones resultantes de la relación comercial con el cliente.

11. Indemnización, limitación de responsabilidad y plazo de prescripción

El proveedor solo se responsabilizará en casos de dolo o negligencia grave de los incumplimientos de obligaciones contractuales o no contractuales como, en particular, la imposibilidad, demora, infracciones durante la etapa precontractual y cualquier acto ilícito. Esto incluye también los incumplimientos cometidos por parte de sus directivos y ejecutivos auxiliares. La responsabilidad se limitará a los daños típicos y previsible en el momento de la formalización del contrato. En el caso de cantidades de entrega aproximadas, se calcularán sobre la base de una cantidad mínima del 90 % de la cantidad de entrega prevista en el contrato. Estas limitaciones no se aplicarán en caso de un incumplimiento intencionado de las obligaciones contractuales esenciales, en casos de responsabilidad reglamentaria según la Ley de Responsabilidad por Productos (Produkthaftungsgesetz), en caso de daños a la vida, la integridad física o la salud, ni tampoco si el proveedor ha ocultado defectos con mala fe o garantizado su ausencia. Son esenciales las obligaciones contractuales específicamente descritas, cuyo incumplimiento ponga en peligro la consecución de la finalidad del contrato o aquellas obligaciones contractuales cuyo cumplimiento posibilite la correcta ejecución del contrato en primer lugar y en cuya observancia confíe y pueda confiar regularmente el comprador. Las disposiciones legales sobre la carga de la prueba no se verán afectadas. Salvo que se haya acordado otra cosa, las reclamaciones contractuales, incluidas las reclamaciones por daños y perjuicios basadas en defectos materiales, que el cliente presente al proveedor en relación con el suministro de la mercancía prescribirán una vez transcurrido el periodo de un año desde la entrega de la misma, a menos que se trate de indemnizaciones por lesiones físicas o daños para la salud o daños típicos y previsible, o se basen en dolo o negligencia grave por parte del proveedor. Este plazo también se aplica a las mercancías que se utilicen para una construcción de acuerdo con su forma habitual de uso y que hayan causado la defectuosidad de la obra, a menos que esta forma de uso se haya acordado por escrito. En los casos en los que el proveedor haya reconocido la reclamación de subsanación del comprador, el plazo de prescripción no comenzará de nuevo, sino que se suspenderá hasta que transcurran tres meses desde que se lleve a cabo dicha subsanación.

12. Comercio exterior

El proveedor desea recordar que está prohibida la reexportación de las mercancías a Rusia o Bielorrusia, así como su uso en estos países. En caso de incumplimiento de esta normativa, el proveedor está legalmente obligado (a) a informar inmediatamente a las autoridades competentes sobre la infracción y (b) a revisar exhaustivamente la relación comercial con el comprador, con la posibilidad de terminar de forma inmediata la relación comercial.

13. Lugar de cumplimiento y jurisdicción

El lugar de cumplimiento y la jurisdicción de todas las obligaciones contractuales es la sede del proveedor. Sin embargo, el proveedor tiene derecho a demandar al cliente en la sede social de este. La relación jurídica se regirá exclusivamente por el Derecho alemán.

Condizioni generali di contratto ZCC Cutting Tools Europe GmbH - Italy Branch - “Fornitore”

1. Aspetti generali

Le seguenti condizioni generali si applicano a tutti gli ordini e le offerte (anche futuri) destinati a società, persone giuridiche di diritto, o patrimonio separato, pubblico relativi a consegne e altri servizi, compresi contratti d'opera, contratti di consegna di beni da produrre o beni fungibili o non fungibili da fabbricare. Eventuali diversi accordi o condizioni generali di vendita e consegna del cliente sono validi solo se espressamente accettati dal fornitore per iscritto.

2. Offerta e documentazione tecnica

Le offerte sono generalmente non vincolanti. Acquisiscono carattere vincolante solo con la conferma scritta dell'ordine da parte del fornitore. Le figure, i disegni e le dimensioni contenuti nell'offerta sono da intendersi informazioni a scopo indicativo.

3. Valore dell'ordine

Il valore minimo dell'ordine per merci e servizi è pari a €150 netti. Se il valore minimo dell'ordine non viene raggiunto, si applica in via forfettaria una maggiorazione logistica di € 8, per ogni ordine. Nel caso di inserti comuni, questi vengono consegnati esclusivamente in confezioni da 10 pezzi (eventuali eccezioni si applicano per: inserti per filettatura, inserti CBN/PCD, inserti di dimensioni maggiori con circonferenza iscritta maggiore di 19 mm).

4. Consegna

Il fornitore si impegna, ove possibile, a rispettare i termini concordati. Nel caso di impedimenti che il fornitore non riesca ad evitare pur procedendo con diligenza, indipendentemente dal fatto che insorgano presso di lui, presso il cliente o un terzo, in particolare, a titolo non esaustivo, a causa di scioperi, serrate, pandemie, interruzione delle catene di approvvigionamenti, catastrofi ambientali, tumulti o guerre, ovvero fenomeni simili di causa maggiore, ritardi nella produzione o nel trasporto, è esclusa qualsivoglia responsabilità ovvero qualsivoglia richiesta di risarcimento danni per consegna ritardata. Una consegna in ritardo non dispensa dall'obbligo di accettazione. Le offerte provenienti dalle giacenze di magazzino si intendono vendute intermedia riservata. Nel caso di merci personalizzate, a causa di motivi tecnici legati alla produzione sono consentite consegne in eccesso o in difetto fino al 10%. In tal caso, verrà fatturata la quantità effettivamente consegnata.

5. Prezzi

I prezzi offerti si applicano a pezzo sdoganato franco magazzino Germania, esclusi imballaggi speciali, costi di spedizione e IVA di legge, nonché dazi esterni all'UE. Se oltre le 4 settimane successive alla stipula del contratto cambiano tasse e altri costi esterni compresi nel prezzo concordato, ovvero insorgono nuove tasse e costi, il fornitore ha facoltà di modificare il prezzo nella misura corrispondente. Se il produttore aumenta i suoi prezzi prima che il fornitore abbia consegnato la merce, quest'ultimo ha il diritto di aumentare in ugual misura il prezzo concordato con il cliente per la merce non ancora consegnata, se e nella misura in cui il fornitore aumenta i suoi prezzi in linea generale.

6. Pagamento

Salvo diverso accordo, le fatture dovranno essere pagate per intero entro 30 giorni di calendario dalla data di emissione. Salvo diverso accordo o diversa indicazione contenuta nelle fatture del fornitore, il pagamento dovrà essere effettuato immediatamente dopo la consegna (indipendentemente da qualsiasi scadenza indicata nelle fatture), senza alcuno sconto, mediante modalità che consentano al fornitore di disporre dell'importo alla data di scadenza. Le spese relative al pagamento saranno a carico del cliente. Il cliente potrà far valere un diritto di ritenzione o di compensazione soltanto nella misura in cui le sue contropartite non siano contestate, siano passate in giudicato o derivino dal medesimo rapporto contrattuale (quali ad esempio pretese per vizi o per i costi di completamento). Eventuali sconti concordati si applicheranno esclusivamente al valore della fattura. La concessione di uno sconto pre-suppone che, al momento dell'applicazione dello stesso, il cliente abbia saldato per intero tutti i pagamenti in scadenza. In caso di superamento del termine di pagamento oppure in caso di mora, il fornitore avrà diritto di applicare interessi nella misura di otto (8) punti percentuali sopra il tasso d'interesse di base, salvo che siano stati pattuiti tassi d'interesse più elevati. Inoltre, il fornitore avrà diritto al pagamento di un importo forfettario pari a € 40. Resta salvo il diritto al risarcimento di ulteriori danni, in particolare spese aggiuntive connesse a variazioni dei tassi di cambio e a operazioni di copertura dei rischi. Qualora, successivamente alla conclusione del contratto, emerga che il diritto del fornitore al pagamento sia a rischio dovuto all'insolvenza del cliente, il fornitore potrà avvalersi dei diritti previsti dall'art. 321 BGB - Codice Civile tedesco (Bürgerliches Gesetzbuch, BGB) (eccezione di d'incertezza). Lo stesso si applicherà nel caso in cui il limite di credito commerciale determinato dal fornitore o dal relativo assicuratore del credito venga ridotto o revocato, nonché nel caso in cui il cliente risulti inadempiente rispetto al pagamento di importo di rilevante entità ovvero sopravvengano circostanze che indichino un significativo deterioramento della sua solvibilità dopo che il contratto è stato sottoscritto. In tali ipotesi, il fornitore avrà diritto di chiedere il pagamento immediato di tutti i crediti non ancora scaduti derivanti dal rapporto commerciale in essere con il cliente. L'eccezione di incertezza si estenderà, inoltre, a tutte le ulteriori forniture e prestazioni ancora pendenti nell'ambito del medesimo rapporto commerciale con il cliente.

7. Spedizione e trasferimento del rischio

Il rischio, ivi incluso il rischio di sequestro delle merci, si trasferirà al cliente in tutte le transazioni, anche se con clausola di porto franco o di consegna gratuita, al momento della consegna delle merci allo spedizioniere o al vettore, e comunque non oltre l'uscita delle stesse dal magazzino o dallo stabilimento del fornitore. L'assicurazione sarà stipulata dal fornitore esclusivamente su istruzione e a spese del cliente. L'obbligo e i costi di scarico rimarranno a carico del cliente. In assenza di tempestive istruzioni del cliente, lo spedizioniere o il vettore saranno individuati dal fornitore. In tale ultimo caso, qualora, per cause non imputabili al fornitore, il trasporto mediante l'itinerario o al luogo previsti divenga impossibile o sostanzialmente più difficile, il fornitore avrà facoltà di effettuare la consegna attraverso un altro itinerario o ad altro luogo, restando a carico del cliente i costi aggiuntivi che ne derivino. Il cliente sarà previamente informato e avrà facoltà di formulare osservazioni.

8. Reclami e garanzia

Il cliente è tenuto a verificare la merce immediatamente al momento della consegna e comunicare per iscritto al fornitore eventuali difetti entro e non oltre 14 giorni di calendario dalla consegna. Il medesimo obbligo sussiste anche in caso di difetti o di mancata consegna di certificati di collaudo, dichiarazioni di prestazione, schede di sicurezza, elenchi dei materiali, marcature CE e U, che avrebbero dovuto essere inclusi nella consegna. I difetti che non possono essere individuati entro il suddetto periodo, neppure a seguito di un'accurata ispezione, dovranno essere denunciati per iscritto immediatamente dopo la loro scoperta e comunque non oltre la scadenza del termine di prescrizione pattuito o previsto dalla legge, con sospensione immediata di qualsiasi lavorazione. A seguito dell'accettazione della merce da parte del cliente, è esclusa la possibilità di denuncia dei difetti che erano rilevabili durante il termine pattuito. In caso di tempestiva e giustificata denuncia di vizi, il fornitore potrà, a propria discrezione, eliminare il vizio ovvero fornire un bene privo di difetti (adempimento supplementare). In caso di mancato o rifiutato adempimento supplementare, il cliente potrà ridurre il prezzo di acquisto ovvero recedere dal contratto, previa fissazione di un termine congruo e decorso infruttuosamente lo stesso. Qualora i difetti derivino da lavori di costruzione, il cliente potrà esercitare esclusivamente il diritto di riduzione del prezzo. Lo stesso principio si applicherà nel caso in cui le merci siano già state vendute, lavorate o trasformate. Se il cliente non permette immediatamente al fornitore di accertare l'esistenza del difetto, in particolare non rendendo subito disponibili, su richiesta, le merci contestate o i campioni delle stesse, tutti i diritti per i difetti decadranno. Lo stesso principio si applicherà in caso di riduzione irrilevante del valore o dell'adeguatezza della merce. Le spese sostenute in relazione all'adempimento supplementare, in particolare quelle derivanti dall'installazione e rimozione delle merci difettose, saranno a carico del fornitore solo nella misura in cui risultino ragionevoli nel singolo caso, con particolare riferimento al prezzo di acquisto delle merci, e comunque non oltre il 150% del valore delle stesse. Sono esclusi i costi sostenuti dal cliente per la rimozione autonoma dei difetti senza che sussistano a tale scopo i requisiti di legge. Il fornitore non sarà responsabile per eventuali spese derivanti dal fatto che le merci siano state trasportate in un luogo diverso dalla sede legale o alla filiale del cliente, salvo che ciò sia stato pattuito. I diritti di regresso del cliente ai sensi dell'art. 478 del Codice Civile tedesco (Bürgerliches Gesetzbuch, BGB) resteranno impregiudicati. Tutte le ulteriori pretese, comprese le richieste di risarcimento danni per difetti o conseguenze degli stessi, sono escluse.

9. Resi

Il cliente potrà restituire le merci esclusivamente entro 30 giorni di calendario e previa autorizzazione scritta del fornitore. Il fornitore avrà facoltà di non accettare resi inviati e non previamente autorizzati per iscritto. Le merci dovranno essere restituite in perfette condizioni e nell'imballaggio originale, senza danni. Qualora il reso non sia imputabile al fornitore, sarà addebitata una commissione di gestione pari al 15%, con un minimo comunque non inferiore a € 15. I resi di prodotti personalizzati non sono generalmente accettati. Nella misura in cui venga concessa una nota di credito per la merce restituita, l'ammontare sarà calcolato sulla base dell'importo della fattura originale/ dal valore della merce.

10. Riserva di proprietà

Tutte le merci consegnate rimarranno di proprietà del fornitore ("merce riservata") fino all'integrale soddisfacimento dei crediti spettanti al fornitore in relazione alla consegna. Tale riserva si estende anche ai successivi crediti condizionati, quali, ad esempio, quelli derivanti da cambiali tratte, nonché nell'ipotesi in cui contestazioni specificamente designate vengano estinte mediante pagamento, e altresì a contestazioni fatte valere unilateralmente dal curatore fallimentare tramite scelta della prestazione. La merce riservata sarà lavorata per il fornitore quale produttore ai sensi dell'art. 950 del Codice Civile tedesco (Bürgerliches Gesetzbuch, BGB) senza obbligare il fornitore. Le merci risultanti da tale lavorazione saranno considerate merci soggette a riserva di proprietà ai sensi di questi termini e condizioni generali. In caso di lavorazione, unione e commistione con altre merci delle merci soggette a riserva da parte del cliente, il fornitore acquisterà il diritto alla proprietà dei nuovi beni proporzionalmente al valore della fattura delle merci riservate rispetto al valore della fattura delle altre merci utilizzate. Qualora, a seguito di combinazione o unione, il fornitore cessi di essere proprietario della merce, il cliente dovrà trasferire immediatamente al fornitore i diritti di proprietà spettantigli sul nuovo stock o sui nuovi beni nella misura corrispondente al valore in fattura delle merci riservate e li custodirà per conto del fornitore a titolo gratuito. I beni sui quali il fornitore acquisisce diritti di proprietà sono considerati merci riservate. In caso di mancato pagamento da parte del cliente o di mancato rispetto di una cambiale alla scadenza, il fornitore avrà diritto di riprendere possesso delle merci riservate e, se necessario, di accedere ai locali o al magazzino del cliente per tale scopo. Il medesimo diritto sussiste qualora, successivamente alla conclusione del contratto, emerga che il diritto del fornitore al pagamento, derivante dal presente o da altri contratti con il cliente, sia compromesso dall'insolvenza del cliente. Il riacquisto del possesso delle merci riservate non costituisce recesso dal contratto. Il fornitore potrà altresì vietare la rivendita, la lavorazione ulteriore e l'asportazione della merce riservata. Resta impregiudicata l'applicazione delle disposizioni del Codice tedesco sull'insolvenza (Insolvenzordnung).

11. Risarcimento danni, limitazione di responsabilità e prescrizione

In caso di inadempimento di obbligazioni contrattuali o extracontrattuali, in particolare per impossibilità, ritardo, colpa nella conclusione del contratto (culpa in contrahendo) o illecito civile, il fornitore sarà responsabile – ivi comprese del proprio personale e altri ausiliari – esclusivamente in caso di dolo o colpa grave, con responsabilità limitata al danno tipico contrattuale prevedibile al momento della conclusione del contratto. Per le quantità di consegna approssimative, il danno sarà calcolato sulla base della quantità minima pari al 90% della quantità di consegna prevista dal contratto. Le predette limitazioni non troveranno applicazione in caso di violazione colposa di obbligazioni contrattuali essenziali, nei casi di responsabilità obbligatoria ai sensi della legge tedesca sulla responsabilità da prodotto (Produkthaftungsgesetz), in caso di decesso, lesioni personali o danni alla salute, nonché nell'ipotesi in cui il fornitore abbia dolosamente occultato difetti della merce o ne abbia garantito l'assenza. Per obbligazioni contrattuali essenziali si intendono specifiche obbligazioni contrattuali la cui violazione compromette il conseguimento dello scopo del contratto, nonché quelle obbligazioni la cui corretta esecuzione rende possibile l'esecuzione del contratto e sul cui adempimento il cliente fa e può fare regolare affidamento. Restano impregiudicate le disposizioni di legge in materia di onere della prova. Salvo diverso accordo, le pretese contrattuali, incluse le richieste di risarcimento danni per difetti avanzate dal cliente nei confronti del fornitore relative alla consegna dei beni, si prescrivono nel termine di 1 anno dalla consegna della merce, salvo che riguardino il risarcimento per lesioni personali o malattia, danni prevedibili o siano fondate su dolo o colpa grave del fornitore. Tale termine si applicherà altresì alle merci che, conformemente alla loro destinazione d'uso, siano impiegate in un edificio e ne abbiano causato difettosità, salvo che tale utilizzo previsto sia stato concordato per iscritto. Nei casi in cui il fornitore abbia riconosciuto la pretesa del cliente relativa all'adempimento supplementare, il termine di prescrizione non ricomincerà a decorrere, ma resterà sospeso sino alla scadenza di tre mesi.

12. Relazioni commerciali con l'estero

Il fornitore desidera sottolineare che le riesportazioni di merci verso la Russia o la Bielorussia, così come il loro utilizzo in tali Paesi, sono vietate. In caso di violazione del presente divieto, il fornitore è tenuto per legge (a) a segnalare tempestivamente la violazione alle autorità competenti e (b) a verificare il rapporto commerciale con il cliente, che può comprendere l'eventualità di un'interruzione immediata del rapporto commerciale.

13. Luogo di adempimento e foro competente

Il luogo di adempimento per tutte le obbligazioni contrattuali sarà la sede legale del fornitore e il foro esclusivo sarà quello della corte tedesca avente competenza sul luogo in cui il fornitore ha la propria sede legale. Tuttavia, il fornitore avrà il diritto di convenire in giudizio il cliente presso la sede legale di quest'ultimo. Il rapporto contrattuale sarà regolato esclusivamente dalla legge tedesca con l'esclusione della convenzione delle Nazioni Unite sulla vendita internazionale di beni (Vienna, 11 aprile 1980) e di qualsiasi disposizione relativa ai conflitti di legge che possa comportare l'applicazione di una legge diversa da quella tedesca.

14. Lingua

Il testo vincolante di queste condizioni generali è quello in lingua italiana; il testo in lingua inglese costituisce una mera traduzione di cortesia.
