- 1** The United Kingdom is a group of islands with different landscapes.
 In England, there are green hills and flat lands.
 Scotland has tall mountains and the Highlands.
 Wales has cliffs and a pretty coast.
 Northern Ireland is also beautiful with rivers and green fields.
 The UK is near the sea, so there are many rivers and it can be rainy and cool in some places, while others are milder and warmer.
 This mix of landscapes and weather makes the UK an interesting place to explore.
