

Elezioni Comitati di gestione triennio 2025-2028

To the kind attention of the families of enrolled children,

We inform you that from 9:00 a.m. on October 22 until 3:00 p.m. on October 27, 2025, you will be able to take part in the renewal of the Management Committees, which will remain in office for the three-year period 2025–2028.

The Management Committee is an important body of participation present in all kindergartens in the Province of Trento. It is composed of representatives of parents, teachers, support staff, the managing body, and two representatives appointed by the municipal administration.

The Committee performs specific duties (such as tasks related to children's enrollment, cafeteria services, giving opinions on certain school decisions, etc.), but its main role is to participate in school life in close cooperation with the managing body and teachers. Its goal is to enhance the educational offer by contributing to initiatives that may involve both children and parents (celebrations, meetings, community projects, educational programs, etc.).

Each parent has the right to vote and can be elected as a member of the Committee as a parent representative. We therefore strongly encourage your participation, and remind you that you may submit your candidacy.

To the President of the managing body.

Ogni atto di partecipazione, anche il più piccolo, è un tassello che contribuisce alla costruzione collettiva della conoscenza.
