The president of Gdansk Invest Sp. z o.o., Katarzyna Usarewicz, wish to present to you the company.

Gdansk Invest is a Polish company, based in Sopot (Gdansk), with international experience in the wholesale distribution of electronic products of consumer, games, cell phones, and computer products.

Gdansk Invest employs a staff of collaborators with specific skills and knowledge in the marketing area and in Administrative field. The marketed products include mobile phones and a wide range of electronics products and computer products from the best brands on the market.

Gdansk Invest is a modern company, dynamic, with a commercial organization competent and attentive to the needs of customers, a company that meets its customers in every stage of marketing, from “business proposal” to the “receipt of the purchase order” to the “on time delivery of the goods”.

Gdansk Invest has some strengths such as proper management of stocks of goods, an efficient logistics system and a careful and proper management of after-sales service.

Customers of Gdansk invest are the best specialty stores and retail, both in Poland then in all European country and in CH

Gdansk Invest has its strength on a foundation of mutual trust and respect amongst a growing number of suppliers and customers. The company is prides itself on its high quality of service and consistent level of customer satisfaction, a company that is always willing to put all energy to obtain complete customer satisfaction. For the security of our customers, all our goods are sold only after gone through checks and legal formalities.

Our clients have appreciated the company work culture and responsible attitude towards its business. We are proud of our prompt communications and our ability to deliver the best products and solutions for individual needs of the clients, we think our professionalism and the growing up number of suppliers and clients provides the foundation for trustworthy cooperation.

Our Mission

OUR VISION

SAFETY - for our suppliers and customers;
RAPIDITY – in deliveries;
RELIABILITY - in sales management

OUR MISSION

Our mission is to offer the best products and services to our customers. To always exceed customer expectations resulting in customer delight. Our mission is to provide highest possible quality at the right price. Our commitment, to offer nothing but the very best, is reflected in our vision & mission statements. We exist because of our customer and we are very grateful to our customers who have made us what we are today. We now strive to take our organization to the next level so that we can serve our customers even better and continue to keep them fully satisfied.

Procedures

Our company buy EXW and sells CIP

We use a polish transport company that go in all Europe to upload the goods from our suppliers

Goods are transported to Poland and downloaded in our logistics

Our logistics performs the conformity checks of the purchased material

Logistic provides to make pictures of the arrived packed goods, of the material inside in the Master Cartons and of the starting goods packed with special foil

All logistic control procedures are recorded

If the checks are positive, the goods are loaded on the truck and delivered to the customer

Our trucks are equipped with satellite control and tracing the stops along the routes

Checks and inspections

All the goods that arrive in our warehouse before being shipped to our customers are verified

All checking procedures are recorded
