

A watercolor illustration of a tropical landscape. The scene features rolling hills in shades of yellow, orange, and brown. Several palm trees are scattered across the landscape, some on the hills and others on a rocky outcrop on the right. The sky is a soft, pale yellow. The overall style is artistic and painterly.

DIORÉ

Dioré is a wonderful print on a high-pile textile. It is a contemporary, more abstract interpretation of classic tapestries. Thanks to the high quality of the textile and the colour nuances in the design, this wallcovering can barely be distinguished from a hand-tufted carpet. The design owes its name to the protected Forêt de Dioré on the island of Réunion.
