Furriadroxius

A man with short hair, wearing a dark t-shirt, is seated at a table covered with a white cloth. He is playing a dark wooden flute. On the table in front of him is a sign that reads "Furriadroxius in musica". To the left of the sign is a wicker basket containing two water bottles and some bread. A rolled-up document and a small cup are also on the table. The background features a textured wall and a framed picture of a building.
