

Cilindri Idraulici Saldati *Welded Hydraulic Cylinders*

Agri - Tech

Agri-Tech S.r.l., dal 1988, progetta e produce **cilindri saldati** di qualità.

Grazie al suo **know-how** riesce a rispondere alle richieste del cliente e sono molteplici i **cilindri speciali** progettati e realizzati per risolvere le più svariate problematiche ed esigenze.

*Agri-Tech S.r.l., since 1988, designs and produces quality **welded cylinders**.*

*Thanks to its **know-how** it is able to respond to customer requests and there are many **special cylinders** designed and manufactured to solve the most varied problems and needs.*

Campi di Applicazione - Application Fields

I **prodotti Agri-Tech** trovano posto in innumerevoli settori che vanno dalla **meccanica leggera** alle **applicazioni pesanti**, dalle **macchine movimento terra** alle **gru**, dalle **macchine agricole** ai **sollevatori telescopici**, dalle **piattaforme aeree** al **settore idroelettrico**, dalle **macchine per la produzione industriale** agli **allestimenti di veicoli** di vario genere, tra cui quelli del **settore ecologico**.

*Agri-Tech products find their place in countless sectors ranging from **light mechanics** to **heavy applications**, from **earthmoving machinery** to **cranes**, from **agricultural machinery** to **telescopic handlers**, from **aerial platforms** to the **hydroelectric sector**, from **industrial production machinery** to the **set-ups of various types of vehicles**, including those in the **ecological sector**.*

Attrezzature e Risorse - Equipment and Resources

Centri di Lavoro CNC - Torni CNC - Torni e Frese Tradizionali

CNC Machining Centers - CNC Lathes - Traditional Lathes and Milling

Tornio Tradizionale per lunghe lavorazioni, fino a 7000mm.

Machines Traditional lathe for long machining operations, up to 7000mm.

Zona Seghetti

Sawing Area

Zona di Saldatura Semi-Automatica

Semi-Automatic Welding Area

Verniciatura Interna

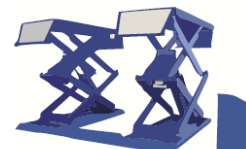

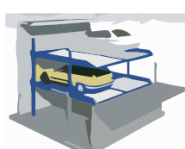

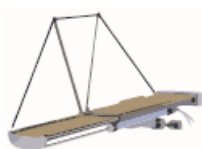

Internal Painting

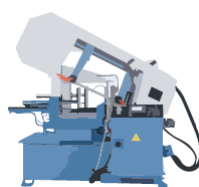

Operatori Saldatori con Patentino

Certified Welding Operators

Magazzino Materie Prime

Raw Materials Warehouse

Agri-Tech, una Società Nexoil - Agri-tech, a Nexoil Company

Sede Legale, Unità produttiva, commerciale e tecnica
Registered office headquarters, Production, Sales and Technical Dept.s

Via Facchinetti, 11 - 13100 - Vercelli (VC) - ITALY
