Aloha Claudio and Eliana,

Based on the refreshed application by Italy to join the International Va'a Federation, the IVF board has made an initial decision to support and approve the membership under the CSEN organization.

The IVF recognizes that ITALY va'a paddlers, under the CSEN organization will participate in va'a through local events and IVF Sprint and Distance Championships for many years to come.

We look forward to seeing the ITALY delegation moving forward in 2024 and beyond with our future programs being World Sprint Championship in Hilo 2024 followed by World Distance Championships in Brazil, 2025.

The IVF will host the annual general meeting (AGM) on Saturday, December 9 at 11 a.m. pacific time. Our administrative assistance will forward the meeting invitation and relevant information on the AGM where Italy will be able to attend without a vote until becoming a fully paid member with the 2024 Annual Dues payment. After such confirmation and dues payment, Italy will be allowed to register for the Hilo 2024 World Sprint event.

Please don't hesitate to contact Linda@ivfiv.org should you have any questions.

Sincerely,

Lara Collins
President
International Va'a Federation
