CUSTOMIZATION

NANUK cases are designed to be easily customizable to meet every users' unique requirements. Choose from customized foam interiors, printing, integrated panels and case color matching to create the perfect carrying solution tailored to the specific needs of your project.

Case Printing

- Affordable way to brand your case
- Display your logo or company message
- High quality process ensures long term durability
- Print up to 2 colors

Foam Interiors

- Fully customizable interior protection
- Protect expensive and delicate equipment
- Organize multiple parts into one mobile kit
- Different foam types and densities available

Customization Integrated Panels

- Efficient OEM housing solution
- Integrated panel mounts for easy installation of electronics and monitors
- Ideal solution for creating portable field kits
- Panels available in different materials and colors
