## BE-IT

# PLACES TO VISIT

## NAPOLI

Naples is the city where pizza and famous songs like O' sole mio originate; it has 37 museums, 300 monumental churches and the most fascinating metro in Europe. In the background stands the Vesuvius.

## POMPEI

The visit of the excavations of Pompeii is an exciting experience that transports the tourist back in time of two thousand years.

## SORRENTO

Sorrento is famous for the view over the sea and Piazza Tasso, dotted with cafes. The historic centre is a made of narrow streets

## CAPRI

The island famous all over the world for its enchanting views, luxury shopping and unforgettable atmosphere

## POSITANO

Positano is a town on the Amalfi coast. It is a very famous tourist destination with pebble beaches and narrow, steep streets full of shops and cafes.

## AMALFI

Amalfi is a city in a scenic natural setting under the steep cliffs on the southwestern coast of Italy
