

## STROBE LIGHTS

### #640 Sirius, #641 Aqua-Sirius, #642 Sirius MILTAC, & #643 Tri-Sirius Strobes

LSC has developed a series of strobe lights for both commercial and military/SAR applications that exceed US Coast Guard and SOLAS performance requirements. Commercial PFD lights have USCG approval and offer standard manual or water-activated functionality, while the military and SAR specific models provide enhanced signaling features, including infrared (IR) and multiple color LEDs.

Specifications				
Product Name	Sirius	Aqua-Sirius	Sirius MILTAC	Tri-Sirius
<b>Product Number</b>	#640	#641	#642	#643
<b>Functions</b>	<b>Water Activated</b>	No	Yes	No
	<b>LED White Strobe</b>	Yes	Yes	Yes
	<b>LED IR Wavelength</b>	No	No	Yes
	<b>LED Blue Strobe</b>	No	No	Yes
	<b>Green Work Lamp</b>	No	No	Yes
<b>Case Color</b>	Orange	Orange	Sage Green	Orange
<b>Water Proof</b>	Yes	Yes	Yes	Yes
<b>Batteries Required (not included)</b>	AA (two)	AA (two)	AA (two)	AA (two)
<b>Continuous Operation Life</b>	18 hours	18 hours	18 hours	18 hours
<b>Strobe Rate</b>	60 P/M +/-	60 P/M +/-	60 P/M +/-	60 P/M +/-
<b>Size</b>	4.6" x 2.0" x 1.1"	4.6" x 2.0" x 1.1"	4.6" x 2.0" x 1.1"	4.6" x 2.0" x 1.1"
<b>Weight (with batteries)</b>	3.3 oz	3.3 oz	3.3 oz	3.3 oz
<b>Attachments</b>	tether cord Hook Patch	tether cord Hook Patch	tether cord Hook Patch	tether cord Hook Patch
<b>Visible Distance</b>	Over 3.5 miles	over 3.5 miles	over 3.5 miles	over 3.5 miles
<b>Activation</b>	<b>Manual</b>	On/Off slide switch	Cycle On/Off switch 2x within 5 seconds	White Strobe: Cycle On/Off switch 3x within 5 seconds IR Signal: On Position
	<b>Automatic</b>	N/A	Water: On Position	N/A
<b>Approvals</b>	USCG	USCG/SOLAS
