Naples School of Economics 2nd PhD and Post-Doctoral Workshop

The Naples School of Economics (NSE) of the University of Naples Federico II and the Center for Studies in Economics and Finance (CSEF) are pleased to announce the 2nd Economics and Finance Workshop for PhD and Post-Doctoral Researchers. The workshop will be held in person at **Università di Napoli Federico II** (Via Vicinale Cupa Cintia, 26, 80126, Napoli) on **September 21 – 22, 2023**.

The workshop aims to bring together young researchers from all areas of economics and finance to allow participants to receive feedback on their research and promote networking among them sharing experiences, research ideas and, plans for future activities.

The two-day workshop will consist of sessions where selected authors present their own research. Each paper will be assigned a discussant, and authors may be asked to discuss a paper related to their research field.

PhD and Post-Doctoral students are invited to submit their paper or extended abstract to nseworkshopunina@gmail.com. Submissions in **any field of economics and finance** are welcome. Please specify the file name in the following format: *"surname_name_title.pdf"*.

The submission deadline is **May 31st, 2023**. The authors of the selected papers will be notified by **July 2023**.
