Thank you for your interest in opening a Weaver Livestock account. We have strict guidelines and sell livestock products through qualified, industry-related retailers and marketers only. Our careful screening and application process assures us and our dealers that we are a wholesale business that only sells to qualified dealers.

Acceptable Business Credentials (please submit any **two**):

- **Retail Store** - Information regarding hours of operation, pictures of the inside and outside of the store, the store's approximate square footage, the number of years you've been in business and the total dollars of inventory in your store.
- **Mobile Unit** - Information regarding any shows you will be attending and selling products at in the next six months to one year, how long you've operated a mobile unit, pictures of the inside and outside of your unit, the approximate square footage of your unit and the total dollars of inventory you stock in your mobile unit.
- **Retail Website** (with a shopping cart where consumers can view and purchase products online) - Information that includes your website address, the number of hits you average per month, the length of time your website has been active and any shows you will be attending and selling products at in the next six months to one year.
- **Third Party Websites** - We now require prior authorization to sell Weaver Brands products on third party websites (Amazon, eBay, Jet, Walmart, etc). All approved Weaver Brands retailers are able to sell Weaver Brands products in their brick and mortar locations and branded websites, however, we will be requiring authorization for resellers to market Weaver Brands products on third party websites.
- **Printed Catalog** - A copy of your most current printed catalog, along with the total circulation number.

Upon receiving, reviewing and approving your application, we will give you a Weaver Brands Account Number to use when ordering. Upon receiving your Weaver Brands Account Number, you may begin ordering from our catalog immediately. **Please note: The minimum opening order requirement to be a Weaver Livestock dealer is \$3,000. We reserve the right to increase this minimum after evaluating the specific market size and potential livestock sales for your geographic area based upon information received in the dealer application. Weaver Livestock requires all approved dealers to maintain and stock inventory on-hand and actively promote the sales of Weaver Livestock brand of products through their retail avenue(s) of doing business.** Weaver Livestock also requires dealers to order a minimum of \$2,000 annually. Application forms may also be filled out at www.WeaverLivestock.com. If you have any questions regarding the application process, please call us at 800-932-8371 or 330-674-1782.

Minimum Advertised Price Policy

Weaver Brands strongly supports qualified retailers who stock, sell, and provide a high level of service for Weaver Brands products by maintaining retail locations, in-store displays, catalogs, and websites.

In order to protect our premium brand image and reputation for quality products, and to support the interests of Weaver Brands retailers, we have updated and adopted our Minimum Advertised Price ("MAP") policy. The MAP Policy was put into effect June 1, 2018 and has replaced any previous MAP Policy issued by Weaver Brands. Please read the complete guidelines by visiting <https://www.weaverbrands.com/map-policy>. If you have any questions regarding these guidelines, please email us at brandprotection@weaverbrands.com.
