Wholesale Only - Tack Dealership Requirements

We have strict guidelines of selling nylon and leather tack through qualified, industry-related retailers and marketers only. Our careful screening and application process assures us and our dealers that we are a wholesale business that only sells to qualified dealers.

A qualified Weaver Equine dealer meets the following requirements:

- The dealer has a Federal Tax ID Number.
- The dealer has a retail store. The business is not run out of a home, garage, basement or barn. It is a separate business establishment.
- The dealer has regular store hours.
- The dealer has a dedicated phone line for the business.
- The dealer has regular store fixtures, a business sign, a cash register and/or other items needed to run a business.
- The dealer submits pictures of the inside and outside of their retail store, along with a New Tack Account Application Form.
- The dealer places a minimum opening order of \$3,000 in Weaver Equine branded products.
- The dealer orders a minimum of \$2,000 in Weaver Equine products annually.
- **Third Party Websites** - We require prior authorization to sell Weaver Equine products on third party websites (Amazon, eBay, Etsy, Jet, Walmart, etc.). All approved Weaver Equine retailers are able to sell Weaver Equine products in their brick and mortar locations and branded websites, however, we will be requiring authorization for resellers to market Weaver Equine products on third party websites.

Please Note: Mobile Or Website Only Businesses Do Not Qualify.

In order to ensure a potential dealer has a business establishment, we contact our independent sales representative in the area to verify that the business is legitimate. To speed up this process, we are requesting dealers to submit photos of their stores. To process a dealer application, we require photos of signage both inside and outside of the store. Inside photos should also include the sales counter and product displays from throughout the store.

Minimum Advertised Price Policy

Weaver Equine strongly supports qualified retailers who stock, sell, and provide a high level of service for our products by maintaining retail locations, in-store displays, catalogs, and websites. In order to protect our premium brand image and reputation for quality products, and to support the interests of Weaver Equine retailers, we have a Minimum Advertised Price ("MAP") policy. For the most up to date policies, please read the complete guidelines on page C1 of the 2025 price list or by visiting <https://weaverbrands.com/map-policy>. If you have any questions regarding these guidelines, please email us at brandprotection@weaverbrands.com.
