## SECOND OPINION

### MODULE 1: INFORMATION

#### GENERAL INFORMATION

Veronesi's Second Opinion is a service available to anyone seeking a qualified second opinion on a diagnosis or treatment.

#### Features

- A response is guaranteed within 7 business days from the date the request with complete clinical documentation is received. If additional documentation is required to complete the consultation, the timeframe begins from the date the doctor receives all the requested documentation.
- If further consultations are required by the doctor, a response will be sent within 7 business days from the date the additional request is received.
- **Clinical documentation provided must be in Italian or English.**

The price of a Second Opinion is € 500.

If additional consultations are necessary, an additional fee may be required, subject to approval.

#### Required Forms and Attachments

To request the SECOND OPINION, you must complete the following forms:

- MODULE 2: Request for a SECOND OPINION;
- MODULE 3: Authorisation for the Communication and Transmission of SECOND OPINION;
- MODULE 4: Personal Data Protection and Privacy Policy.

The attachments required to complete the request are the Patient's ID (ID card or passport)

A request for a SECOND OPINION (MODULE 2) can be submitted by someone other than the patient, but only if the patient is their Legal Representative. In this case, the following documents are required:

- ID (ID card or passport);
- Document certifying the role of legal representative.
- Parent of a minor with custody (with family register);
- Person exercising guardianship, curatorship, or support administration (with supporting documentation).

#### Important:

- For further questions following the submission of the report, it is necessary to request a new SECOND OPINION. Therefore, it is recommended that the request be as complete as possible.
- Please note that SECOND OPINION is not provided for medico-legal purposes.
