## EDUCAZIONE ALLA TEATRALITÀ

**The courses are dedicated to the training of experts in theatrical disciplines for intervention in educational, social and cultural institutions.**

**The purpose of this School** is the idea that “making theatre” constitutes in itself a complete formative experience for and with the person.

**The purpose** is to develop in theatre, not through theatre, an awareness of the Ego leading the individual to take their own creativity in shaping a own creation.

**The School is divided into three years:** the first year leads to a certificate of “expert in *Educazione alla teatralità*”.

The second year, although is recommended because it is necessary for the consolidation of professional preparation, is optional and offers the possibility to deepen theatrical techniques and knowledge through the study of character.

The School also provides a third year that concerns the theatre company and group dynamics. The work involves the staging of a theatrical text.
