## HandBagSky Group

...shaping your ideas,  
to become your next bestsellers...

HandBagSky Group is the “umbrella” under which different Companies in the handbag business, decided to merge and create a strong production pole for worldwide customers in the Fashion Industry.

Our strength comes from the combination of:

**Trendy** *DESIGN OFFICE*

Offering brand new collections 4 times a year and available to develop ad hoc designs for qualified customers

**Active** *R&D OFFICE*

Always on the market looking for new materials, constructions or finishing

**Skilled** *PRODUCTION FACILITIES in CHINA*

Where every year we produce millions of bags, selling around the globe

**Organized** *PRODUCTION FACILITIES in CAMBODIA*

Which allow us to serve those customers with larger qty requests, willing to take advantage of importing from duty free countries

**High level** *PRODUCTION FACILITY in INDIA*

Offering high quality leather products

**Proactive** *SALES OFFICES in ITALY, CHINA and INDIA*

Giving great support and fast responses to our customers

Thanks to the above we are able to serve any customer from small ones to the biggest, using any material you desire.
