Siamo giunti al terzo numero di SDS, un'altra sfida vinta. La rivista ha viaggiato molto, partecipando alle più importanti mostre cinofile, come il Campionato del Mondo, Cruft, Westminster, e raggiungendo tutta Europa. Siamo stati presenti in più di 30 paesi e 4 continenti. La sfida è continuare a crescere, migliorando in tutto e dimostrando che questa storia è possibile e che gli ultimi romantici delle mostre cinofile vogliono continuare ad avere una rivista nelle mani, per sfogliarla e annusarla. Per il quarto numero, stiamo già pensando a un'edizione speciale che accompagnerà il Campionato del Mondo di Bologna 2026 in Italia. L'idea è presentare più reportage, più articoli e la presenza dei più importanti esponenti del mondo cinofilo a livello mondiale. Vogliamo anche ringraziare gli allevamenti che si sono uniti a noi, consapevoli che SDS è disponibile a supportarli nella diffusione del loro lavoro. Abbiamo avuto il nostro primo "Supreme Bis" in Romania "IDS ARAD" insieme al caro Roberto Schill e speriamo che altri club aderiscano al nostro progetto. Chissà, forse in futuro potremo organizzare un grande evento di condivisione e convivialità con tutti i vincitori del SUPREME. Continuiamo a lavorare per migliorare ogni giorno. Sappiamo di poter contare sul vostro supporto. Grazie mille a tutti. Alla prossima SDS.

We've reached the third issue of SDS, another challenge accomplished. The magazine has travelled the world, participating in the world's most prestigious dog shows, including the World Championship in Europe, Crufts in the UK, and reaching all of Europe. We've been present in more than 30 countries and on four continents. The challenge is to continue growing, improving in every way, and demonstrating that this story is possible, and that the last romantics of dog shows want to continue having a magazine in their hands, to leaf through and enjoy. For the fourth issue, we're already

planning a special edition to accompany the 2026 Bologna World Championship in Italy. The idea is to feature more reports, more articles, and the presence of the world's leading dog breeders. We also want to thank the kennels that have joined us, knowing that SDS is available to support them in spreading their work. We had our first "Supreme Bis" in Romania, "IDS ARAD," with our dear Roberto Schill, and we hope other clubs will join our project. Who knows, perhaps in the future we can organise a grand event of sharing and conviviality with all the SUPREME winners. We continue to work to improve every day. We know we can count on your support. Thank you all so much. See you next time, SDS.
