

Notice on the Health Qigong International Referee Upgrading

Dear Member Organizations,

In order to strengthen the team of Health Qigong referees, it is planned to organize the upgrading application and approval for Health Qigong international referee based on the recent International Health Qigong Referee Skills Training Course and events officiating situations. Relevant matters are hereby notified as follows:

I. The technical grade of international referee upgrading

According to the Regulations on International Health Qigong Referees Technical Grade System, the technical grade of this upgrading is Grade B International Referee.

II. Qualifications for application

1. Applicant from the member organizations within China must meet the following four qualifications

- Has the title of national referee of China three years or above;
- Served as the referee at the Health Qigong international events (see attachment 1) held by IHQF or CHQA; or served as the assistant chief referee or above in national events;
- Served as head referee or above in national events;
- Has the Chinese Health Qigong level of Duan 7 or above;
- Participate in Health Qigong International Referee Skills Training Course and pass the examination.

The qualifications above must be met at the same time.

2. Other member organizations

- Served as the referee at the Health Qigong international events (see attachment 1) held by IHQF or CHQA;
- Has the international Health Qigong level of Duan 4 or above.
- Participate in Health Qigong International Referee Skills Training Course and pass the examination.

The qualifications above must be met at the same time.

IV. Evaluation and Recruitment

The IHQF will set up a review and evaluation group. The applicants who pass the review by the group, will be published on the official websites of IHQF.

V. Fees

Evaluation fee: USD100 for Grade B International Referee (pay the IHQF by the member organization)

VI. Registration

The upgrading applicants shall submit their application materials (see attachment 2) to the Secretariat of the IHQF before September 15. The application form must be approved, signed and sealed by the IHQF member organization.
