

ANGOLO COTTURA

This is a floor plan of an apartment. The layout includes a kitchen area at the top, a living room in the center, a bedroom on the left, a bathroom, a small sleeping area, and a balcony at the bottom. The balcony has a decorative railing with three arches. The entrance is on the right side, leading into the living room. The plan uses simple lines to represent walls, doors, and furniture like a bed and a toilet.

RIP.
