

SH

Stainless steel Manual high-lift pallet truck

100% MADE IN ITALY

Capacity 1.000 kg
Forks 550x1150 mm
Lift height 820 mm

EASY LIFTING

The hydraulic pump makes lifting easier, even when loaded.

Less physical strain for the operator throughout the working day.

HYGIENIC

Made entirely of AISI 304 stainless steel, including the hydraulic pump.

Fully washable and easy to sanitise.

ERGONOMIC

Raise the pallet to a comfortable working height and reduce repeated bending.

Less strain on your back, more comfort throughout the day.

STANDARD EQUIPMENT

Entirely made of **AISI 304 stainless steel**
Forks 550x1.150 mm
200 mm polyurethane steering wheels
Single nylon rollers
Pins, bearings and fasteners in stainless steel

MAIN OPTIONS

AISI 316 stainless steel construction

INTENSIVE USE? CHOOSE ELECTRIC

Also available in an electric version (model SHX-E).

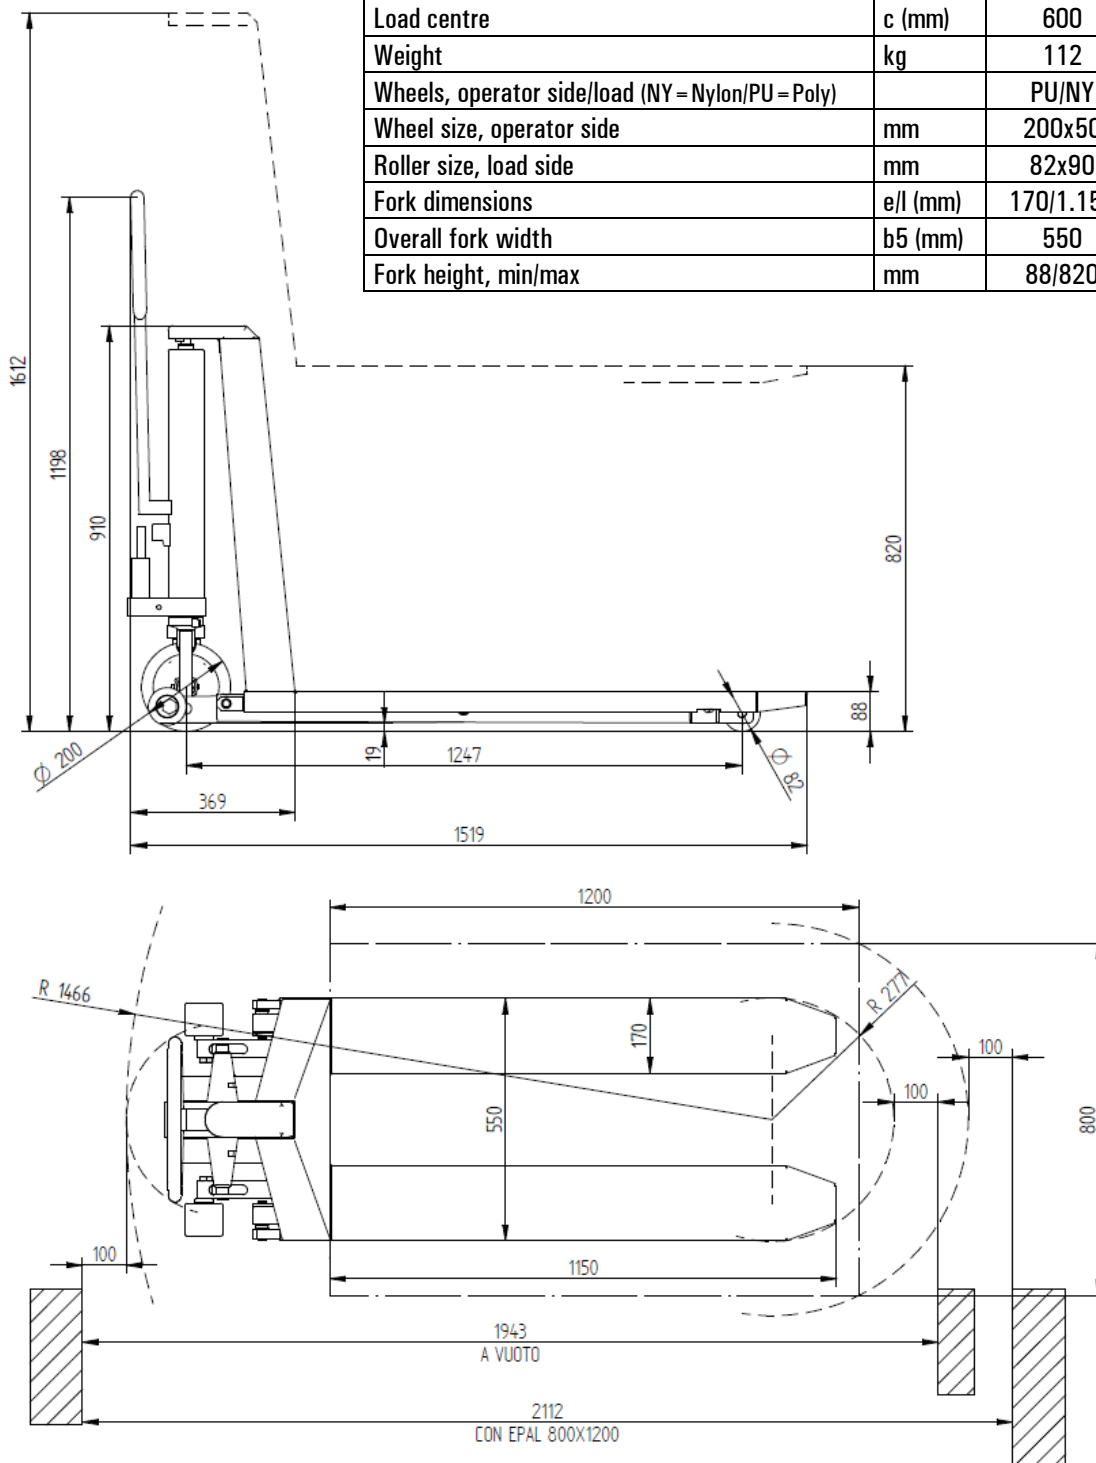

Ideal for intensive use: simply press a button to lift the load!
