I profumi ESSENS vengono creati con la massima qualità possibile. La nostra produzione è certificata dal GMP (Istituto di Buona Fabbricazione), ISO 9001-2008 e soddisfa le regole e gli standard più rigorosi UE.

***Le fragranze possono essere più di un piacevole accessorio. Un grande profumo è un'opera d'arte. E' poesia silenziosa, invisibile linguaggio del corpo. Può risollevare le nostre giornate, arricchire le nostre notti e creare pietre miliari nelle nostre memorie. Una fragranza è emozione liquida.....***
