

International Tavball Cup Italy 2024 (Bellaria Igea Marina) and European Tavball San Marino 2024 are non-competitive sporting events whose aim is the promotion and diffusion of Tavball. The participants release San Marino Welcome and Tavball Europe, the public administration, the sponsors, the beach establishments where the event takes place and the respective representatives of the companies mentioned above, of all present and future claims or liability for any type deriving from participation in the sporting event in question. Participants grant their permission to all entities listed above to use photographs, tapes, videos, images, for any lawful use without compensation.

Location: the events will take place in sports areas in the towns of San Marino and Bellaria Igea Marina. The "Info Point" will be communicated directly to the registration representatives and located near the competition area. During the International Tavball Cup 2024 – Italy Bellaria Igea Marina, the technical areas will be divided by category and will be located near the playing areas of the individual tournaments.

Privacy: participants consent to the processing of personal data for the sending of communications and/or advertising material by the organizers and their possible partners and/or sponsors (the data provided will be processed in compliance with EU Reg. 2016/679 on the protection of personal data). The complete privacy policy can be consulted [here](#). Filling in and sending the registration forms means subscribing to the processing of personal data in the manner and within the limits set out in the aforementioned information.

PARTICIPATION REQUIREMENTS

To participate in the events you must have:

- the online registration form completed in all its parts.
- Medical certificate: all athletes must be in compliance with the (valid) medical certification required for the sporting activity they practice.
- Made the required payments.

Registration deadline: each Tavball event has a registration deadline: after this date, reservations will only be accepted if there is still organizational availability.

Insurance policy: San Marino Welcome and Tavball Europe hold an RC insurance policy which covers the risks deriving from damage caused to third parties as participants in the events organized by San Marino Welcome and Tavball Europe and which is their responsibility. The Tavball events are affiliated with MSP ITALIA: any injury resulting from chance or the practice of sport falls within the insurance coverage linked to the membership with one's own club and/or from the MSP membership that Tavball Europe undertakes to carry out for each participating athlete and is included in the subscription fee.

Check in: times and places where you can check-in for participation are communicated in the event program.

At check-in, participants will be given tournament information material and t-shirts, which are mandatory for playing the competitions and taking part in the collateral events.

Stays: participants can request to stay in partner hotels through the collaboration of San Marino Welcome by calling +39 0549 995613 or by sending an email to booking@sanmarinowelcome.com

Withdrawals - individual cancellations:

No refund is provided in the event about cancellation, the organization will evaluate the case and may retain the entire amount.

Results and online releases: will be available on www.rankingtavball.it/risultati/index.php, from smartphone or tablet.

Adverse weather conditions: the Organizers, at their discretion, may make changes to the competition program in the event that adverse weather conditions (or other external events) cause significant delays in the

programming of the competitions, providing in the most serious cases for the definitive suspension of the event without this leading to the obligation to reimburse participation and/or accommodation fees.

In case of bad weather, the organization reserves the right to modify the game formulas to complete the event. The formulas will be promptly communicated to participants.

In case of suspension of matches during the qualifying phase, the provisional ranking will be drawn up with the following criterion in order of importance: group ranking, number of victories normalized to the same number of matches, set ratio, points ratio.

In case of suspension of the matches during the final phase, the final ranking will be drawn up on the basis of the best score acquired in the previous match.

We recommend everyone to be equipped for different weather conditions: sun cream, hats as well as sweatshirts and thermal shirts.
