Da mini a maxi in una sola collezione. Questo è il mood che ha ispirato EMO Design nella progettazione di questa nuova serie di lavabi. Dalle linee gentili e raffinate, i lavabi Glam nascono dalla volontà di mostrare il know-how di Scarabeo Ceramiche attraverso la creazione di prodotti in ceramica dai bordi sottilissimi ma con una forte resistenza. Il design pulito e allineato alle tendenze contemporanee del mercato, rende la collezione trasversale ed adattabile a diverse situazioni sia in ambito abitativo che per la comunità o il contract.

From mini to maxi in only one collection. This is the mood that inspired EMO Design for this new washbasin range. With its gentle, refined lines, the Glam collection proves the know-how of Scarabeo Ceramiche through the creation of ceramic products with extremely thin, yet very resistant edges. In line with contemporary market trends, the clean design makes the collection easy to integrate in multiple settings, for residential, community and contract applications.
