Caratterizzata da rigore, eleganza e semplicità, mantenendo nel tempo la stessa essenza di design, TEOREMA ha vissuto la prima evoluzione con la versione 2.0 che ne ha determinato un sostanziale alleggerimento dei bordi che oggi raggiungono una misura di soli 6 mm. Oggi TEOREMA 2.0 si presenta anche nella versione PLUS con dimensioni più generose e un'altezza del lavabo ridotta. Sei nuove proposte di lavabo dall'aspetto più slim ma con maggiore aggetto dalla parete per una migliore facilità di approccio. I nuovi lavabi TEOREMA 2.0 PLUS, infatti, misurano 53 Cm di profondità per un'altezza di 12 Cm. Con queste dimensioni e con lo scarico spostato verso il lato muro, la collezione diventa "senza barriere", consentendone la certificazione anche nell'ambito dei prodotti utilizzabili dai disabili.

The line is characterized by rigour, elegance and simplicity and has maintained the same design over time. The 2.0 version represents the first evolution of TEOREMA with lightened edges of only 6 mm. TEOREMA 2.0 also comes in a PLUS version with larger dimensions and reduced height. The proposal includes six new washbasins with a slimmer design, but with a greater projection from the wall for a more comfortable use. The new TEOREMA 2.0 PLUS washbasins are 53 Cm deep and 12 Cm high.

With these dimensions and with the drain moved to the wall side, the collection is "barrier-free" and is certified as a suitable product for disabled users.
