La struttura avvolgente, che ricorda vecchi recipienti di tempi passati. Linee sobrie e compatte per un progetto d'arredo completo. E il materiale, la ceramica, lavorata con grande attenzione garantendo un prodotto finale dalle forme estremamente pulite ed ergonomiche.

The enveloping structure calls to mind the old recipients from a bygone age. Simple and compact lines are used for a complete decorative design. The material, ceramic, is processed with great care, guaranteeing an end product which displays extremely clean and ergonomic contours.
