Design come espressione di una concezione nuova di vita, più libera. Thin-Line semplice e lineare in tutti i suoi modelli si caratterizza con spessori sottili rinunciando ad inutili orpelli. Rigorosi nella forma e nella funzione, danno vita ad ambienti caldi e moderni, creando un'atmosfera unica anche nei bagni più piccoli.

Design as an expression of a new more liberal concept of life. All Thin-Line models are simple and linear with a slenderness which turns its back on unuseful embellishments. With its exact lines and function, it breathes life into warm and modern spaces, creating a unique atmosphere even in the smallest of bathrooms.
