GAMMA COLORI LEGNO STANDARD

COLORI RAL

COLORI LAZUR

La colorazione dei modelli va considerata solo come un'indicazione, poiché possono verificarsi differenze di tonalità tra i colori a seconda del tipo di legno, del suo colore naturale e dello spessore dello strato di vernice applicato. I campioni di colore sono mostrati su legno di pino e meranti. I colori presentati possono differire da quelli reali.

CHOCOLATE									

La colorazione dei campioni deve essere considerata solo come indicativa, poiché, a seconda del tipo di legno, del suo colore naturale e dello spessore dello strato di vernice superficiale applicato, possono verificarsi differenze nelle tonalità dei singoli colori. I campioni di colore sono presentati su legno di pino, abete rosso, quercia e meranti. I colori visualizzati possono differire da quelli reali.
