and natural skin care products**

Integratore Alimentare: a base di Bromelina, Ippocastano , Boswellia, Quercetina, Uncaria, Vitamina C, Propoli, Verbasco, Timo e Polyfosfati

- Antioxidant:** Combats oxidative stress damage and protects cells.
- Antimicrobial:** Antibacterial, antiviral, and antifungal effects, useful against systemic viral, bacterial, and fungal infections.
- Boosts immune defenses:** Enhances the innate immune system, improving the response to infections and reducing the early stages of inflammation.
- Supports cartilage:** Promotes joint health and collagen synthesis.
- Promotes fluid drainage:** Stimulates drainage and microcirculation.
- Anti-inflammatory pre- and post-surgery:** Reduces inflammation before and after surgical procedures.
- Supports joint functionality:** Reduces inflammation and joint pain in conditions like osteoarthritis and rheumatoid arthritis.
- Anti-inflammatory properties:** Decreases inflammation in joint and musculoskeletal disorders.
- Biofilm prevention activity:** Useful in treating infections of prosthetic implants.
- Supports the cardiovascular system:** Improves circulation and microcirculation.
- Supports the central nervous system:** Helps reduce inflammation and symptoms related to neurological conditions.
- Supports digestion:** Enhances the digestive process.
- Suitable for adults and children over 3 years old.**
