OUTDOOR ACTIVITIES

BRUNATE & VOLTA LIGHTHOUSE

Moderate Walk
Timing: ~3 hours

START POINT ON MAP

For amazing views of Lake Como and the Alps, hop aboard the Como cable car from Viale Geno and glide up to the hilltop town of Brunate. From there a 35 minutes walk leads you to Alessandro Volta lighthouse, a striking monument perched above the lake. For an easier trip, a shuttle runs from Brunate to the lighthouse on selected days.

SENTEE DI SORT

Medium Hike
Timing: ~2 hours

START POINT ON MAP

Step back in time with this enchanting walk along a trail leading to the ancient Moltrasio stone quarry. As you follow this path, you will be rewarded with sweeping views over Lake Como. The route begins by the church in Rovenna: the small neghbourhood located above Cernobbio center.

OUTDOOR ACTIVITIES

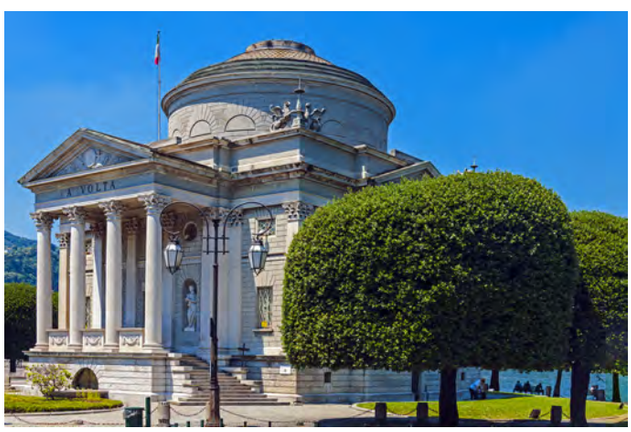

VIA VERDE

Easy Hike
Timing: ~3 hours

START POINT ON MAP

The Greenway connecting Moltrasio and Laglio is an easy, panoramic route suitable for everyone. The trail begins near Trattoria Del Fagiano in Moltrasio, and from there a pleasant path leads you toward Laglio, passing several historic points of interest and offering beautiful views over Lake Como.

A. VOLTA TEMPLE

Culture & Science
Timing: ~1 hour

START POINT ON MAP

Beyond its charm, the city of Como is also the birthplace of Alessandro Volta, the scientist who invented the electric battery in 1799. “Tempio Voltiano” is more than a monument it’s a museum where you can explore the story behind the world’s first battery and discover many other fascinating insights into Volta’s life and work.
