

COFFEE PODS

Our coffee pods are produced in protected atmosphere, packed in **7,5 gr** mono use bags. Available in four different blends:

ELITE 100% ARABICA

A flower and dried fruit scented coffee, with an elegant and refined essence of pleasant intensity.

An aromatic and agreeably sour taste, leaving a deep and persistent tinge with a hint of fine tobacco flavor.

GRANBAR 80% ARABICA

A toasted bread scented coffee with a balanced and medium intensity essence, an average sour taste and a light almond perception, leaving a clean and long lasting tinge.

SUPERIOR 20% ARABICA

A coffee blend with an intense fragrance, an astringent essence and a dense cream. A strong taste leaving a pleasant hint of chocolate and licorice flavor.

DECAFFEINATO 50% ARABICA

A decaffeinato water coffee without any solvent, with a medium balanced essence leaving a unique tinge of chocolate and caramel.
