

## COFFEE CAPSULES

**Nespresso compatible** capsules are produced in protected atmosphere and available in ten piece packages. We offer 4 different blends:

**100%**

A flower and dried fruit scented coffee, with an elegant and refined essence of pleasant intensity. An aromatic and agreeably sour taste, leaving a deep and persistent tinge with a hint of fine tobacco flavor.

**20%**

A toasted bread scented coffee with a balanced and medium intensity essence, an average sour taste and a light almond perception, leaving a clean and long lasting tinge.

**50%**

A strong flavor coffee with a harmonic and balanced essence, a sweet taste that leaves a pleasant, clean and lasting hint of toasted bread flavor.

**DECAFFEINATO**

A decaffeinato water coffee without any solvent, with a medium balanced essence leaving a unique tinge of chocolate and caramel.
